SOUND THE ALARM

Save a Life

American Red Cross

Help us Sound the Alarm about home fire safety.

This spring we're rallying 30,000 volunteers to team up with fire departments and partners to install 100,000 FREE smoke alarms nationwide, in at-risk communities.

Every day 7 people die from home fires. Join our growing movement to save lives, like the Avenarius family who safely escaped a home fire after smoke alarms were installed.

Volunteer to install smoke alarms.

Start a Fundraiser with family and friends.

Donate to make a difference.

Spread the word using #EndHomeFires.
