Call to Order
Bill Stewart, vice-chairperson, called the meeting to order at 5:12 p.m without a quorum. Mr. Stewart announced that Major Tanner of the Salvation Army and his family would be moving to Sarasota.

Presentations
Ed Castellani, of the Jacksonville Transportation Authority (JTA), made a presentation regarding the Transportation Alternative Study (TAS). He explained the TAS is a requirement for federal funding and is an outgrowth of other transportation studies. Castellani responded to questions and comments from the group and received several outreach suggestions from members.

With quorum present, Michael Bryant moved for approval of the April and May minutes. Celia Miller requested a correction regarding a letter she had sent to Mayor Delaney. The minutes were approved with correction noted.

Old Business
JoAnn Smith reported that all the information for the New Ways Initiative grant was not completed and she would contact Thelma Jackson with that information.

Dr. Norman told the group she had conversations with Councilpersons-elect Gwen Yates and Pat Lockett-Felder who explained the Urban Core CPAC meeting day (2nd Tuesday) conflicted with scheduled City Council meetings and they would not be able to attend. The group voted to move the meeting to the fourth Monday of each month. Phil Neary suggested that the councilpersons for the Urban Core CPAC be notified of the change and asked to attend.

The members voted not to hold meetings during the months of July and December.

New Business

Dr. Norman, chairperson, informed the members about correspondence she had received requesting the Urban Core CPAC to participate in the 1st Annual Fourth of July Parade sponsored by the City of Jacksonville. Dr. Norman asked Michael Bryant, Carlon Robinson, Celia Miller, Louvenia Tippins and Patricia Till to form a parade committee and plan for the CPAC's participation. The committee decided to meet on the following Monday at the Salvation Army Building located at 900 W. Adams Street at 9:00 a.m.

Dr. Norman introduced Suraya Teeple with the Florida Department of Transportation (FDOT). Ms. Teeple told the group she was the Planning Community Liaison with FDOT and she would be attending CPAC meetings to provide DOT information. She gave the group her phone number 360-5680 if they wanted to contact her.

Dr. Norman expressed her concern regarding the low attendance at the CPAC meetings. She asked each member to bring 3 guests to the August CPAC meeting.

Celia Miller volunteered the Edward Waters College Community Center for the next meeting in August.

The meeting was adjourned at 6:40 p.m.
