Neighborhood Happenings
Cisco Gardens has the same as last month with the water going up to Pritchard Road and the 4-lane highway going in as well. The new Toyota Plant is coming along nicely.

Guest Speakers
Jocelyn Turner, Marketing Manager, Duval County Department of Health, Opening of the Westside Health Center apologized for being late due to the inclement weather. She made a presentation on the new Health Center. She showed a poster size picture of the facility and invited everyone to the grand opening on June 27th at noon. The flyer that was passed out showed all the services that they offer. The old clinic – West Jacksonville Health Annex on Line Street and Broadway is being used by Healthy Families and they direct everyone over to the new $1.8 million dollar building. A question if they take insurance was asked? They will work with anyone. They are working on various insurance plans as well as Medicaid and low fees such as $20 for a school physical. In the new Center there is a Community Room that is for the use of the public. It will be able to have meetings at night. If you have any questions please call 665-2785 or 359-6871. Barb Olinzock, UNF Director of the Nursing Students, has students each semester at various levels in their education working at the Center.

Neighborhood Services – Marilyn Fenton-Harmer 630-7024 made the following announcements

- The Neighborhoods State Conference will be in Orlando on September 7th and 8th. The registration forms were mailed to all associations and CPAC members. We want citizens to know about the conference and when it is. Anyone is welcome to go on his or her own. We have no info yet about a bus or scholarships. However, early registration deadline is Aug. 1 so we don't have a lot of time. You can tell people that we do not have money budgeted for citizens to attend the conference but we are looking at asking for business sponsors, and we welcome offers from and suggestions about sponsors. The registration forms were passed out.
- River City Band Tuesday, July 3rd 6 p.m. "An American Salute" at Metro Park – Fri. Fest continue June 15th & June 22nd

  Mr. Curtin would like for each district to have at least 3 residents become new members of these boards. There are several of our faithful residents who are already members of these boards' which is great, but more are needed. The only stipulation is that they live in the particular district they are representing. Please call Mary Stumph 630-1776 for an application.

Jacksonville Sheriff's Office Zone 5, 384-8028 –Vice Chairman Leverett introduced our new Assistant Chief to Zone5 Wayne R. Clark who took David Gueterman's place. Assistant Chief told the members that he has been on the new job for 9 days. He started in Corrections in 1980 then worked on 21st and Myrtle, Zone 2 – Westside for a couple of years then back to 21st and Myrtle to Detective, back to Myrtle to Lt. back to Myrtle to Zone 4 to Assistant Chief in Zone 6 to us. If you have not been to the police sub station at 210 S McDuff, please feel free to stop by. He will work with us and help in anyway possible. If you have any questions please call 384-8028. Member Rosa Stephens wished to welcome Assistant Clark to the NW Planning District and congratulated him. He also invited everyone to attend ShAdCo Meetings. The Sheriff would like to get more participation in ShAdCo. He asks that you call and get the services you require and not sit back.

Old Business

None discussed but per last month's motion to remind everyone in the minutes to be prepared for the NW Visioning Session.

New Business

- Marilyn Fenton-Harmer talked with Chairperson Kerr earlier and asked the CPAC to support MaliVai Washington in a grant. It is due tomorrow. Joe Anderson said that it was a great program, not only does he teach the children how to play tennis but helps them to stay out of trouble. He is a great role model. ***A motion by Joseph Anderson to help MaliVai Washington get the NW CPAC's support for a grant was made. A second by Elaine Burnett. The Vote: All were in favor, none opposed. The Motion carries.***
- Rev. Richard Mullaly wanted everyone to know about the dumpsite that wants to be extended on Old Kings Road and US 1. It was not noticed in the paper. The company bought up 350 feet around the dump and the notices to the neighbors only need to go 350 feet from the property. There was a tree farm and children had field trips and the Catfish Tournament took place there as well. The neighbors are opposed to this and our City Council Member voted to have the application proceed on to Tallahassee. He would like to see a recall petition on the City Council Member. With The Super Bowl coming to Jacksonville this is not a pretty sight into Jacksonville. It should be in a more out of the way location. If a notice was posted, the bridge was out being repaired and no one would have seen it. Vice-Chairman Leverett said that maybe they could get together to see what we can do.

A Motion to Adjourn

A Motion to adjourn was made by Joseph Anderson and a second by Frances Leverett. The Vote: All were in favor, none opposed. The meeting was adjourned at 6:58 p.m.

The next meeting will be on Thursday, July 12, 2001 at 6pm

Small Business Center, 5000-3 Norwood Avenue-Gateway Mall
