

PROCLAMATION

ONE CITY. ONE JACKSONVILLE.

WHEREAS: Life insurance provides financial security for families in the event of death by helping surviving family members to meet immediate, ongoing, and future financial obligations and objectives; and

WHEREAS: Surveys consistently indicate that the vast majority Americans believe that life insurance is an essential part of a sound financial plan, but they often lack adequate life insurance coverage; and

WHEREAS: Despite the peace of mind that life insurance brings to millions of American families, more than half of American adults have either no life insurance or less coverage than most experts recommend; and

WHEREAS: This coverage gap is caused by misconceptions regarding the cost of life insurance and individuals' competing priorities; and
