

PROCLAMATION

WHEREAS: Over 1 million vehicles in the state of Florida have unrepaired, recalled airbags that put drivers and passengers at risk of death and injury; and

WHEREAS: Due to the higher temperatures and humidity levels common in northeast Florida, and its deteriorating effects on these life-saving devices, Jacksonville citizens are more vulnerable to injury or death in a crash than others; and

WHEREAS: The National Safety Council's *Check To Protect* program educates citizens about these defective airbags through a comprehensive approach to vehicle recall awareness; and

WHEREAS: Local business and organizations throughout Florida are acting to help ensure drivers and passengers are informed about free recall repairs and remain safe in the event of a crash; and

WHEREAS: It is the responsibility of all drivers to ensure the safety of their vehicles by checking regularly for open recalls and immediately repairing defective airbags.

NOW, THEREFORE, I, LENNY CURRY, by virtue of the authority vested in me as mayor of Jacksonville, Florida, do hereby proclaim May 2019 as

AIRBAG RECALL REPAIR MONTH

in Jacksonville and encourage all citizens to do their part to increase safety and recall awareness in Jacksonville.

IN WITNESS THEREOF, this 10th day of May
in the year Two Thousand 19

MAYOR

CITY OF JACKSONVILLE, FLORIDA
