

Beaches Wellhead Protection Program

Atlantic Beach – Jacksonville Beach –
Neptune Beach

Draft Ordinance Complete

- All 3 beach cities desire to have the same wording in their ordinances
 - Easier education and enforcement
 - Coordination between entities
- Modeled after City of Jacksonville Ordinance
 - Minor changes due to considerations for smaller staff
 - Provides authorization for City to perform inspections, but not requirement
 - May require owner to pay cost of inspection

Additional Tasks and Challenges

- Final markup being completed
- Legal review required
- Approval by Boards, Councils, Commissions
 - 3 City departments
 - 3 City Attorneys
 - 3 City Managers
 - 3 Councils/Commissions
- Implementation still in planning stage
