Letter from the Desk of
GLORIA CRAWFORD:

Dear Seniors,

It gives me great pleasure to introduce the *2023-2024 Jacksonville Senior Services Directory* on behalf of the City of Jacksonville's Parks, Recreation, and Community Services Department, Senior Services Division. This directory is a great tool that will show you a selection of the numerous senior-focused programs that the City of Jacksonville provides.

The Senior Directory for this year is available for free at senior centers and local libraries in Duval County and has been updated to reflect the most up-to-date information about senior services in Jacksonville. I have no doubt that you will find this directory to be helpful and easy to use, and that it will assist you in finding services that will meet your requirements. The directory includes information given by the Senior Services Division of the City of Jacksonville on senior centers, activities, volunteering, caregiving, and other services and products available to seniors, their family members and caregivers in our community. The Senior Services Division has continued to offer seniors excellent services despite the pandemic challenges of the previous year, and I implore you to utilize these services to maintain your independence for as long as possible and live your best life.

Mayor Lenny Curry's steadfast dedication to making this important resource available, as well as the advertisers who work diligently to provide services that support the success of this publication, are both commended. If you have ideas for how to make the *Jacksonville Senior Services Directory* better, please take a moment to fill out the evaluation form in the directory's back or give the Senior Services Division a call at 904-255-5667. Your ideas, critiques and recommendations are gratefully received.

Sincerely,

Letter from the Desk of
STACY AMPARAN:

Dear Seniors,

The *Jacksonville Senior Services Directory* is a collaboration between the City of Jacksonville and Heritage Publishing, Inc. Each year, the directory is thoughtfully laid out to provide the most informative and reflective information for senior adults in our community. The resources provided in the directory ensure that you have access to the resources needed to secure and maintain productivity and independence here in Jacksonville.

Mayor Curry has stated that his main priorities are health and wellness and public safety. Throughout this directory you will find resources for these very important topics. The Senior Services Division supports the Mayor and his priorities in keeping seniors active, engaged and connected.

We are excited to showcase the many opportunities that senior adults will have in the upcoming year as we offer programs and events that allow seniors to live active, independent lifestyles through social, educational and wellness programs. There will be some changes made to ensure that the events are provided safely, but the fun and excitement will never change. We hope to see you at one or all of our upcoming events.

Thank you for being a valued member of our community, and we hope to serve you in any way that makes resources readily available for you. Please take a moment to fill out and return the evaluation in the back of this publication.

Sincerely,

A handwritten signature in black ink that reads "Stacy Amparan". The signature is written in a cursive, flowing style.

- Providing ADA technical support to local agencies and businesses.
- Providing Braille and other accommodation requests to city departments in order to comply with federal laws and remove communication barriers.

The Division also works to remove barriers by offering programs and services to the community, which include:

- The Disabled Parking Enforcement Program, which consists of approximately 65 Florida Department of Law Enforcement (FDLE) certified auxiliary parking enforcement specialists who give their time and talents to enforce disability parking statutes within Duval County.

- The Title III Support Program, which provides technical support to local businesses to ensure compliance of disabled parking space requirements by state and local ordinance.
- The Wheelchair Ramp Program, which provides assistance for qualified citizens who need a wheelchair ramp installed to provide independence.

- Information and Referral Handbook available electronically and in print.

- Special Trainings and Events, including the ADA Symposium, Information and Technology for Accessibility Symposium, Hiring Abilities, Employment Symposium, Fun with the Jumbo Shrimp, the Spirit of the ADA, and other sponsored events for the community.

The Division has also partnered with local agencies such as Independent Living Resource Center of Northeast Florida, Jacksonville Job Corps, the Jacksonville Library, and Jacksonville Transportation Authority to promote accessibility through:

ASSISTED LIVING FACILITIES

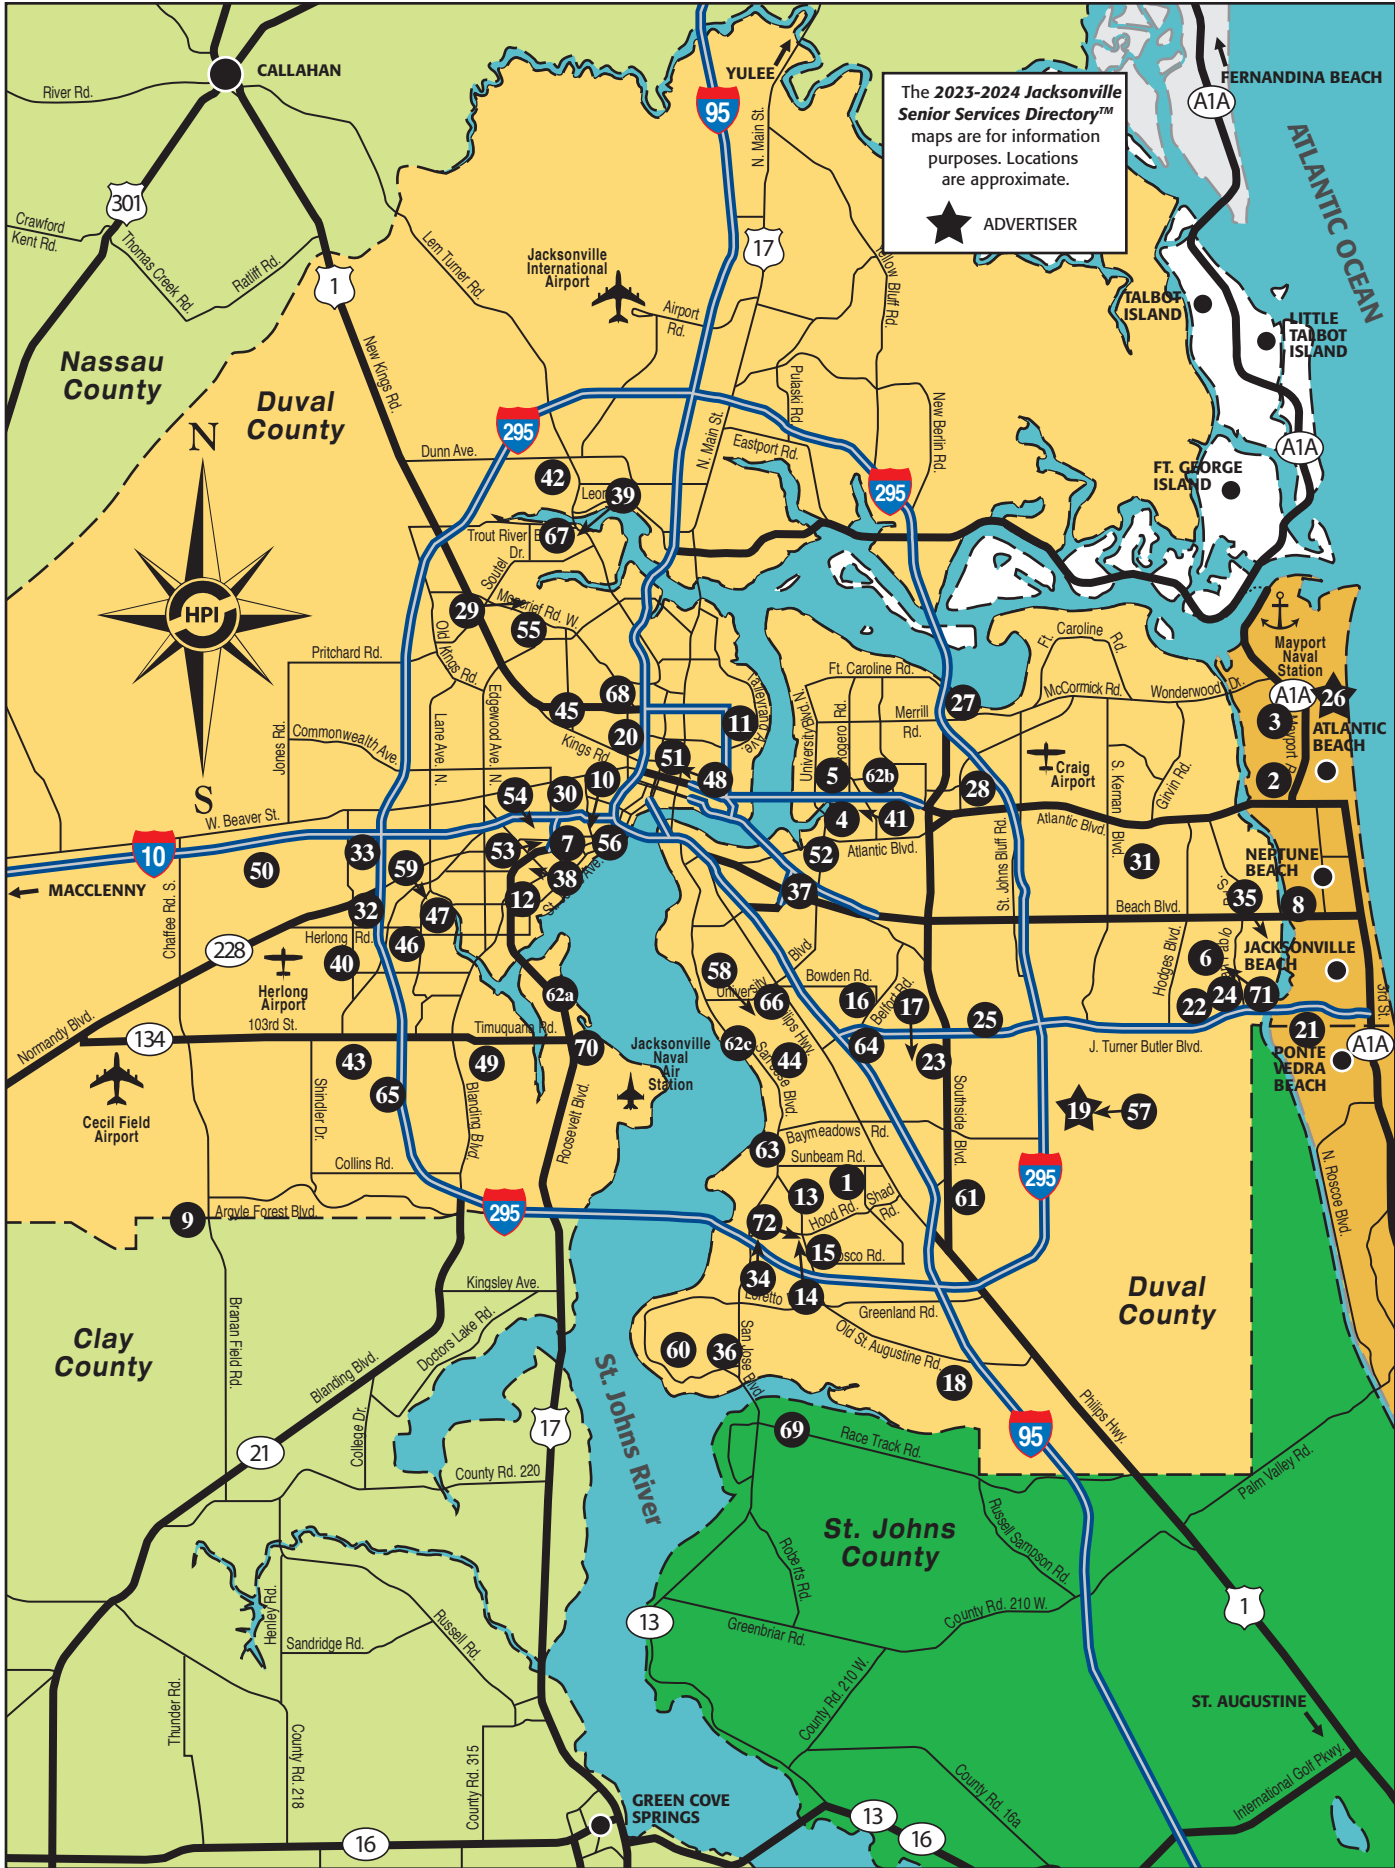

Assisted Living Facilities (ALF) provide housing, meals and personal services to individuals who require supervision or assistance with daily activities. To be eligible for residency at an ALF, a person — at a minimum — cannot be bedridden, does not require 24-hour nursing and does not have stage 3 or 4 pressure sores. ALFs are licensed and inspected by the state of Florida, except for those that are operated by the federal government. **First Coast Long-Term Care Ombudsman Program, District 5** located at 4161 Carmichael Avenue, Suite 141, Jacksonville, FL 32207 - Phone: **904-391-3942**, advocates for residents in Skilled Nursing Facilities and Assisted Living Facilities, investigates complaints on their behalf and inspects facilities annually.

For approximate location of facilities, see map with corresponding pinpoints on page 53.

AHCA provides information and referral assistance to beneficiaries, as well as technical assistance and policy interpretation to other agencies, medical providers and the general public. AHCA has 11 area offices throughout the state that serve as the local liaisons to providers and beneficiaries. In addition to qualifying under one of these two basic groups, an eligible Medicaid beneficiary must meet income and asset limits. These vary by category. The primary categories for Medicaid eligibility include low-income families, disabled people who receive SSI, aged and disabled persons, children in foster care and emergency shelters, undocumented immigrants, refugees, the medically needy, Institutional Care and Medicare Expansion.

HOME SERVICES - RESPITE SERVICES

Respite is a service that provides families of homebound elderly individuals with a break from their responsibilities as caregivers. The purpose is to provide in-home assistance in order to give caregivers needed relief, which may increase their ability to continue to care for a homebound elder without jeopardizing their own mental or physical health. Fully trained, stipend and non-stipend volunteers are available to provide respite for weekdays, evenings and weekends. They are also available for holidays, birthdays, anniversaries, other special events and caregiver training sessions. For further information, call the Independent Living Program.

SKILLED NURSING FACILITIES

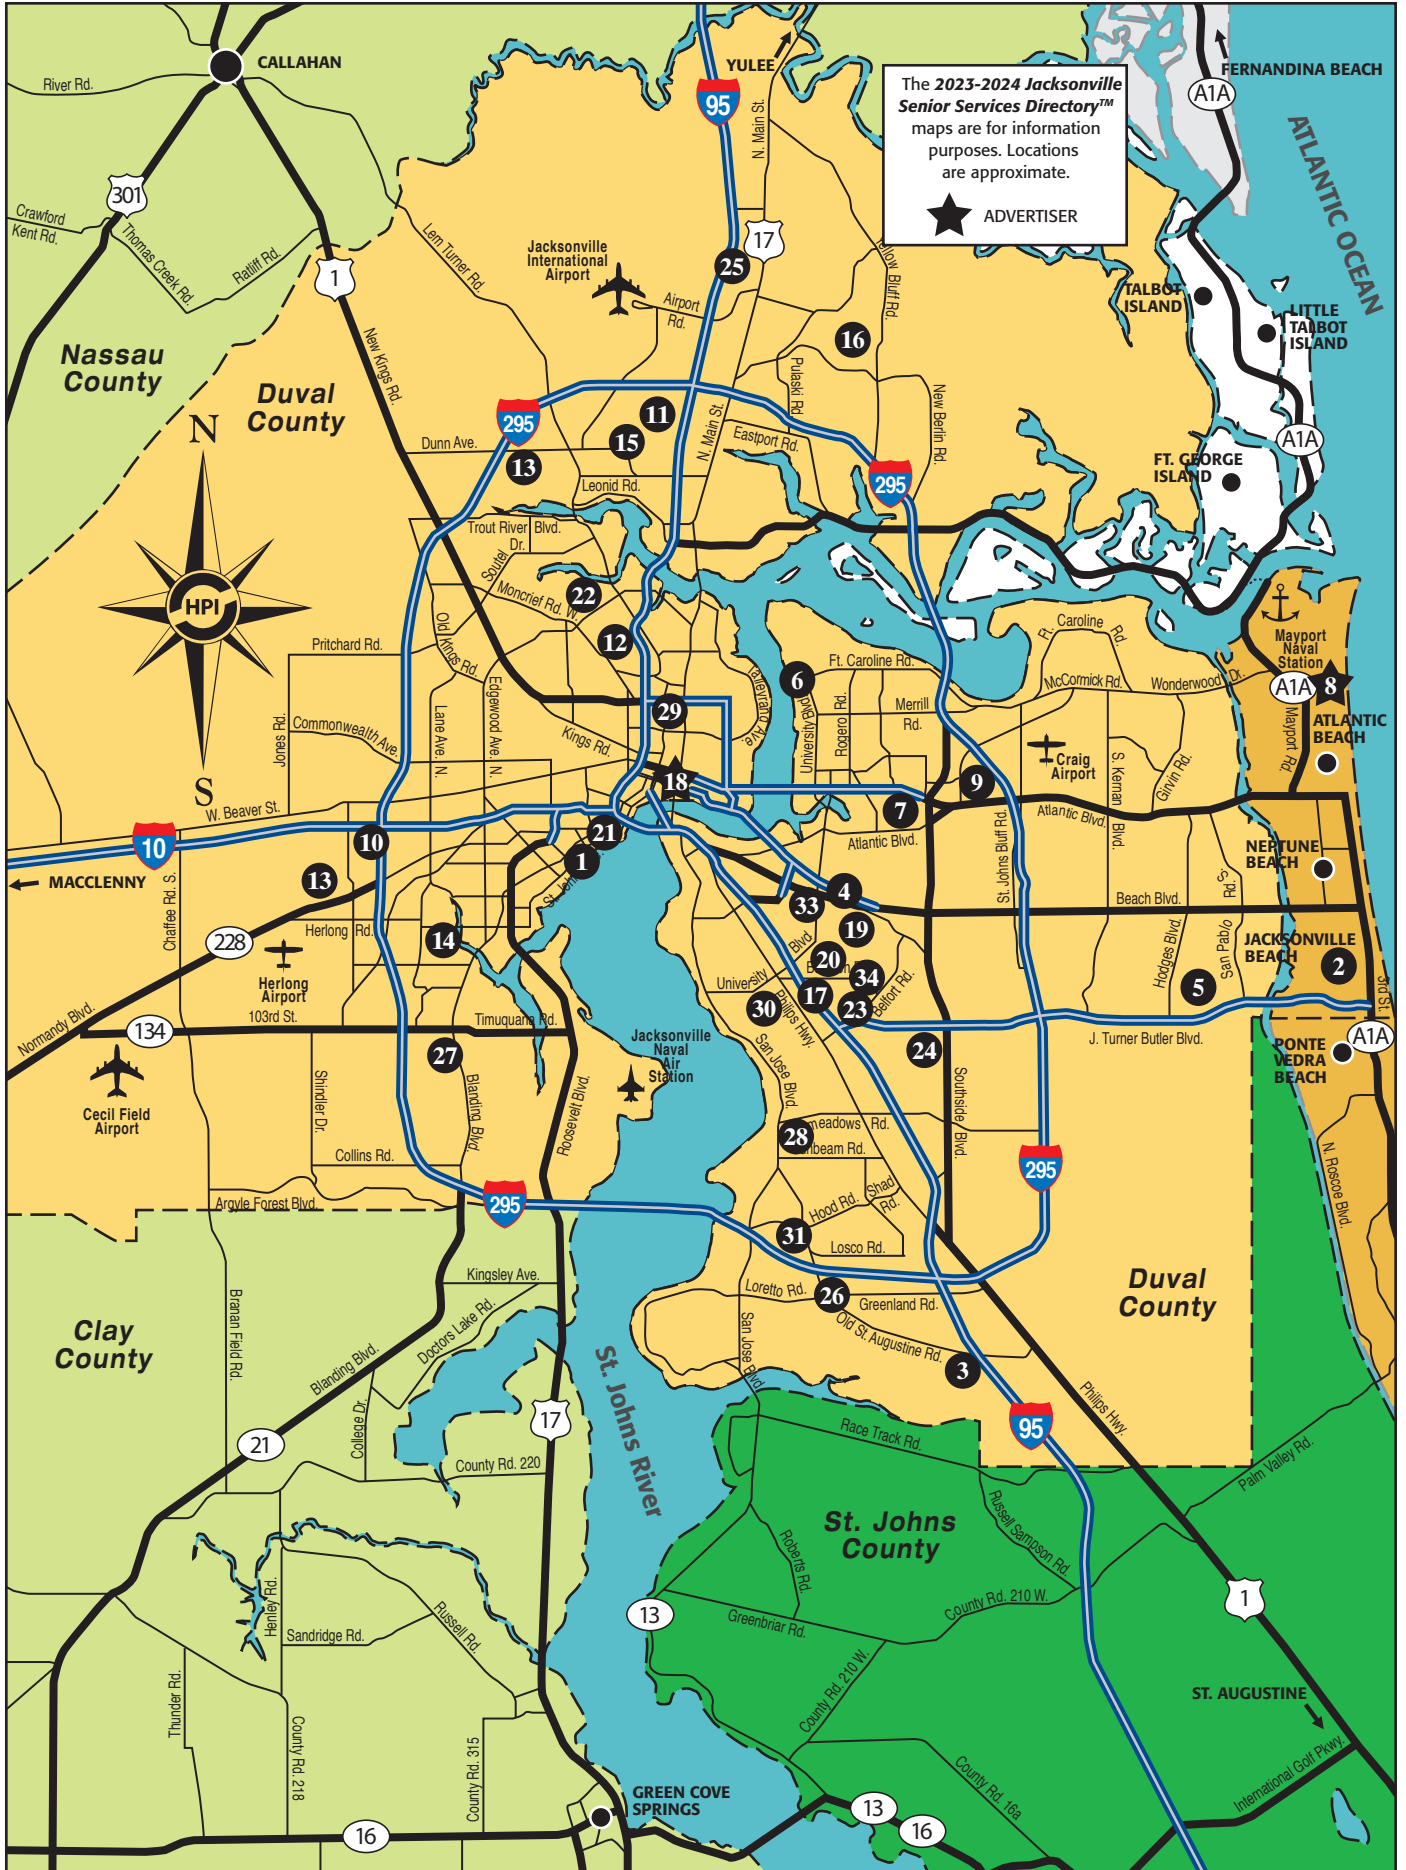

Skilled Nursing Facilities are residences that provide meals, recreational activities, nursing, custodial assistance and rehabilitative care to those with illnesses, injuries or functional disabilities. Skilled Nursing Facilities (SNF) and Skilled Nursing Units (SNU) are the two main types of nursing homes in Florida. A SNF is a free-standing facility while a SNU is a hospital-based facility. SNFs are licensed and inspected by the state of Florida and SNUs are licensed as part of a hospital. **First Coast Long-Term Care Ombudsman Council, District 5**
 4161 Carmichael Avenue, Suite 141 - 32207, **904-391-3942**. Advocates for residents in Skilled Nursing Facilities and Assisted Living Facilities, investigates complaints on their behalf and inspects facilities annually. For approximate locations of Skilled Nursing Facilities, see map with corresponding pinpoints on page 99.
