## Narratives

**Areas of Greatest Need:**

Data for the number of foreclosures within the Jacksonville Metropolitan Statistical Area (MSA) for 2007 and the first quarter of 2008 show that at least 51% of the area's foreclosures resulted in the loss of owner-occupied housing and 49% of the foreclosures resulted in loss of rental housing. A review of this data revealed that Census Tracts with the greatest percentage of foreclosures, highest percentage of sub-prime mortgage related loans, and most likely to face a significant rise in foreclosures were concentrated in the quadrant northwest of the core City and in the south central part of the County. The City of Jacksonville also used foreclosure information available from the Clerk of Court and Home Mortgage Disclosure Act (HMDA) data to identify areas of greatest need.

The City of Jacksonville published a Request for Proposals to procure services in the following categories: Management Consulting, Marketing & Public Relations, Property Developers (single-family), Appraisal & Valuation Services, Title & Closing Services, Environmental Engineering, Construction Management, Property Developers (multi-family), Property Management, Housing Counselors and Land Banking. These partners will assist the City in implementing the following NSP eligible activities: Acquisition, Rehabilitation, Resale (Homeownership), Acquisition and Rehabilitation (Multi-Family), Demolition and Clearance, Land Banking, Financing Mechanisms and Redevelopment. All of these activities will serve income-eligible LMMI households. Funding will be provided to program participants on a reimbursement basis only. It is estimated that program activities will be complete by December 31, 2012.

Entities selected for participation in the competitive procurement process are as follows: Management Consultants (Prosser Hallock Planners & Engineers, Local Initiatives Support Corporation and Langton and Associates), Marketing & Public Relations (Scott-McRae Advertising), Single-Family Property Developers (Greater Jacksonville Communities, Operation New Hope, Northwest Jacksonville CDC, Grace & Truth CDC, HabiJax, Metro North CDC, Rene Dostie Company, Housing Partnership of NE Florida, Cesery Company, Renaissance Design Build / War on Poverty, Kendale Land Development, Riverside Avondale Development Organization, Wealth Watchers, Second Chance Help Center and Helpful Citizens CDC), Appraisal & Valuation Services (Ennis & Mullen, Hollis Appraisals, Inc., JVI Appraisal Division, LLC), Title & Closing Services (Title Clearinghouse and Michael A. Altes), Environmental Engineering (Aerostar Environmental Services, Inc.), Construction Management (Montgomery Land Company), Multi-Family Developers (Gateway Community Services, Ability Housing, Housing Partnership of NE Florida, Sulzbacher Center, Operation New Hope, Renaissance Design Build / War on Poverty, Northwest Jacksonville CDC, Cesery Company and Wealth Watchers). All property development projects will be awarded on a first-come, first-served basis as eligible projects are brought forward.

**Distribution and and Uses of Funds:**

The City of Jacksonville/Duval County developed a list of target areas for the Neighborhood Stabilization Program based above cited census tract data analysis, for the targeting of Neighborhood Stabilization Resources to zip codes 32206, 32208, 32209, 32244, and 32254 that include the city's Enterprise and Empowerment Zones and which have established neighborhood organizations and other efforts assisted by the City. Activities, individually and in combination, proposed in the City's approved plan for the targeted areas will ultimately stabilize them through the reduction of vacant or abandoned units and related impacts on crime reduction, decrease in the rate of deterioration, increased property values and tax base stabilization.

The City of Jacksonville plans on spending the NSP funding as follows: Administration (\$2,617,530), Acquisition, Rehabilitation & Resale (Homeownership) (\$9,764,199), Acquisition and Rehabilitation Multi-Family (\$7,286,278), Demolition and Clearance (\$1,000,000), Land Banking (\$1,720,369.33), Financing Mechanisms (\$1,993,352.67) and Redevelopment (\$1,793,588). Of these expenditures, \$7,286,278 of the Multi-Family funding will be targeted to households at 50% AMI and below.

It is anticipated that the NSP funding will result in the creation of 74 units of homeownership, 52 units of rental housing (52 units at 50% and below), 125 demolished structures (land to be recycled into housing units), 79 units land banked, 56 units of financing assistance and 19 redeveloped housing units.
