Explanation for Late-Filed Agricultural Classification Application

Property Owner:

Property Address:

Real Estate #(s):
(list all applicable RE#s)

Reason(s) for Filing Late [refer to all attached documentation]:

This is to confirm that I did not file my Agricultural Classification application by March 1, 2017. However, I am requesting that the Duval County Property Appraiser's Office grant the classification based upon the above explanation (and any attached documentation) demonstrating that I was unable to apply timely, or otherwise demonstrating extenuating circumstances.
