APPLICATION TO CONSTRUCT OR OPERATE A NOISE POLLUTION SOURCE

Type Application: Y Construction Y Operation

Source Name: _____

Source Location: Street _____

Latitude _____ ° _____ ' _____ " N

Longitude _____ ° _____ ' _____ " W

Applicant Name and Title: _____

Applicant Address: _____ Phone _____

DIRECTIONS

1. All applicable items must be completed in full in order to avoid delay in processing this application. Where attached sheets or other technical documents are utilized in addition to or in lieu of the space provided, indicate appropriate cross-references.
2. Please type or print in ink.
3. Three (3) copies of this application and any supplemental information, and a check for the application fee in accordance with Rule 4.0 Jacksonville Environmental Protection Board, made payable to the Tax Collector, City of Jacksonville, must be submitted to Regulatory and Environmental Services Department, Air and Water Quality Division. All copies shall be signed after copies are made.
4. Projects involving construction or modification shall be accompanied by two (2) sets of engineering drawings, plans and elevations only, showing the locations of any machinery or equipment.
5. An 8 ½" X 11" plot plan showing the location of the installation in relation to the surrounding area, residences, other permanent structures, and roadways must be submitted. (Example: Copy of relevant portion of USGS topographic map).
6. An 8 ½" X 11" plot plan of the facility showing the location of the proposed changes must be submitted.

SECTION I: STATEMENT BY THE APPLICANT

I am the undersigned owner or authorized representative* of _____.

I certify that the statements made in this application for a _____ permit are true, correct, and complete to the best of my knowledge and belief. Further, I agree to maintain and operate any pollution sources and noise pollution control facilities in such a manner as to comply with the provisions of Rule 4.0 Jacksonville Environmental Protection Board and all revisions thereof. I also understand that a permit, if granted by the Department, will be non-transferable and I will promptly notify Regulatory and Environmental Services Department, Air and Water Quality Division in writing, upon the sale or legal transfer of the permitted facilities.

*Attach letter of Authorization.

Signed: _____

Name and Title (Please Type)

Date: _____ Telephone No. _____

Page _____ of _____

SECTION II: GENERAL PROJECT INFORMATION

A. Describe the nature and extent of the project. Refer to noise pollution control equipment, and expected changes in noise emissions as a result of construction or operation. State whether the project will result in full compliance. Attach additional sheet if necessary.

B. Schedule of project covered in this application.

Start of Construction _____ Completion of Construction _____

C. Costs of noise pollution control systems (Note: show break-down of estimated costs only for individual components serving noise pollution control purposes. Information on actual costs shall be furnished with the application for operation permit).

D. Indicate any previous noise permits, orders, and notices associated with the noise sources, including permit issuance and expiration dates.

SECTION III: NOISE SOURCES FROM CONSTRUCTION, MODIFICATIONS OR DEMOLITION

A. The following types of equipment, both stationary and mobile, used in this project can emit noise above 75 dBA at 50 ft. from the source. (JEPB rule 4.501(B)(2)). Use additional sheet if necessary.

1. _____	5. _____
2. _____	6. _____
3. _____	7. _____
4. _____	8. _____

B. The following types of equipment used in this project that must be operated 24 hours per day and/or 7 days per week.

1. _____	5. _____
2. _____	6. _____
3. _____	7. _____
4. _____	8. _____
