Approval of the Minutes

Member Lane made a motion to accept the minutes from the August 3, 2009 meeting with the following correction removing the word "run" under the Guest Speaker section #13. A second was made by Member Tippins. The Vote: All in favor; none opposed.

Guest Speaker

JTA – Endya Cummings, Business Relations and Development presented the "Fixed route bus system re-design" (maps were handed out)

- JTA will roll out changes on Monday, Oct. 5.
- The Skyway will not operate on weekends except for special events.
- The NS 19 Urban Core route the area in blue is new and the gold is old on the map.
- NS 3 and 14 route comes to Moncrief Ave. and Avenue B to Rosa Parks to Gateway and Wal-Mart and hops on to I-95 to Highlands Shopping Center – to River City Market Place.
- JTA goes to the airport on the CT 3 which stops at all 6 downtown hotels then goes to Rosa Parks Station to I-95 to River City Market Place and then goes to the airport. It drops off and picks up at the baggage claim area bus stop.

- Bus passes can now be purchased at all Walgreens (debit cards can be used), Tax Collector locations, a few Winn- Dixie locations and a few Publix locations for \$12 for a weekly pass and \$40 for a monthly pass.

JTA's Community Shuttle Service – Four maps were handed out on the new shuttles: Northside, Broward Road, Mandarin, and New Cecil Community Shuttle. The maps had green shaded areas that will be for the Deviation area. The shuttle buses are small 24-passenger vans that can hold up to 5 wheel chairs. Each shuttle has scheduled stops within its service area and can also be customized to meet your needs with advanced reservations. The shuttle connects with JTA's traditional bus service. Your options to ride the shuttle are:

- You can reserve premium curbside service by calling 598-8724 at least 2 hours in advance or up to 3 calendar days before you ride.
- Limit carry-on items to no more than 3 grocery bags. (Operators are not allowed to assist passengers with carry-on items.)
- Be prepared to meet the shuttle early. The shuttle will not wait if you are not at the curbside location when the shuttle arrives
- Be near the curb or stop at least 5 minute prior to your arranged pick-up.

Fares:

- Regular fare is \$1 per ride – for info on fares/passes call 630-3100.
- A premium curbside service fee of \$.50 will apply to each scheduled pick-up or drop-off that is not at a designated stop. This premium fee is applicable to all fare categories including seniors, pass, or ticket holders.
- Persons with disabilities travel at a reduced fare of \$.25 per ride with a reduced fare card or valid Medicare card.
- Seniors age 60 and older ride for free upon presentation of a government issued picture ID with birth date.
- If you or someone you know would like a presentation please contact Endya Cummings.

Members asked numerous questions on the routes, start times and schedules. They will be printed in a week and the schedule goes into effect on Monday, Oct. 5. They also wanted to know how JTA was going to get the word out on the changes. Endya Cummings can be reached at 630-3197 or ecummings@jtafla.com and visit www.JTAFLA.com

Members Concerns:

Member Vanderlaan brought up the City Budget. There is a real crisis and the numbers are important. He proposed the following Motion which was seconded by Member Chance:

- *Considering the current difficult city budget process, the Urban Core CPAC advises the City Council to adopt the Mayor's millage proposal. Residents of the Urban Core neighborhoods rely on many of the city services that may need to be cut if adequate revenue is not provided.* Discussion ensued. The numbers do not add up even with all the projected cuts. Services will also be cut. Member Chance discussed the millage rate and possible cuts as well as JEA going to charge a \$2 fee to pay the bills on line or in a JEA office starting in October. This will hurt people. The discussion continued and members did not want to come back next month to find the Neighborhood Coordinator Marilyn Fenton-Harmer's position cut. They would like Chairman Williams to rally the support of the other CPACS to unite us and attend the upcoming City Council meetings. It was also suggested to contact all the City Council Members at www.fixitnow.cc and let them know your position on the budget. The Vote: All in favor with one no vote.

Member Vanderlaan remarked that he has done a lot of research on the "Internet cafes" which are unregulated gambling parlors that have no supervision or enforcement. He made the following Motion with a second by Member LaMountain:

- *The Urban Core CPAC urges the Jacksonville City Council, Mayor, JSO and the State Attorney's office to work together to establish and enforce regulations on the small unregulated casinos know as "internet cafes". Considering the known harmful social effects of gambling, and the fact that Northeast Florida already offers dog racing and a state lottery, we advise that these "internet cafes" should be closed. The Jacksonville City Council to enact an ordinance to close the "internet cafes". Discussion on the legality and JSO not being able to close them down. The conversation began last month when there were City Council members as guest speakers. Member Vanderlaan has spoken to an attorney that thought they could be regulated locally. The Allied Veterans of the World are the registered entity that operates some in Jacksonville. Member Tippins would like to see them closed at once. Member Walker had a grocery receipt which advertised the one at 48th Street and Main Street which is across the street from Northshore Elementary School. An Amendment was made by Member Vanderlaan with a second by Member Chance to change the last sentence to read: *We advise the Jacksonville City Council to enact an ordinance to close the "internet cafes"*. Motion reads as follows:*

The Urban Core CPAC urges the Jacksonville City Council, Mayor, JSO and the State Attorney's office to work together to establish and enforce regulations on the small unregulated casinos know as "internet cafes". Considering the known harmful social effects of gambling, and the fact that Northeast Florida already offers dog racing and a state lottery, we advise the Jacksonville City Council to enact an ordinance to close the "internet cafes". The Vote: All in favor; none opposed.
