

BAYARD COMMUNITY PLAN

Contents	Section - Page
Executive Summary	i
Introduction	I
Study Area	I-3
Project Description	I-3
Existing Conditions	II
A. Demographics	II-1
Neighborhood Survey	II-1
Public Safety	II-4
B. Structures	II-6
Existing Uses	II-6
Building Types and Condition	II-8
Windshield Survey Update	II-10
Historically Significant Building	II-12
C. Environmental Conditions	II-14
Topography	II-14
Wetlands and Floodplains	II-14
Tree Canopy	II-14
Value of Trees	II-16
D. Transportation and Mobility	II-18
Local Street Network	II-18
Major Corridors and Proposed Improvements	II-22
Pedestrian and Bicycle Accessibility	II-23
Public Transit	II-23
Rapid Transit Study	II-24
E. Utilities and Infrastructure	II-25
Private Water and Wastewater Systems	II-25
Public Water and Wastewater Utilities	II-26
Water and Sewer Expansion Authority	II-28
Stormwater Drainage and Management	II-30

Contents	Section - Page
Electricity and Natural Gas	II-30
F. Regulatory Framework	II-32
Land Use	II-32
Zoning	II-34
Review of Current and Ongoing Projects	II-35
<hr/>	
Public Involvement Process	III
<hr/>	
A. Neighborhood and Steering Committee Meetings	III-1
Community Visioning	III-2
Proposed U.S. 1 Corridor Expansion	III-4
Steering Committee Field Trip and Town Center Spatial Analysis	III-4
B. Public Involvement Results/Community Visioning Results	III-6
Identification of Major Issues and Concerns	III-6
Residential Density	III-8
Compliance with Community Plan and Code	III-8
SmartCode Model Development Code	III-8
<hr/>	
Community Plan Recommendations	IV
<hr/>	
A. Bayard Community Plan	IV-1
Transect Planning and Form-Based Code	IV-1
Regulating Plan	IV-3
U.S. 1/State Road 9B Neighborhood	IV-5
Transit-Oriented Development (TOD) Neighborhood	IV-5
Bayard Town Center Neighborhood	IV-6
Illustrative Community Plan	IV-6
B. Transportation and Mobility	IV-7
Proposed Major Roadway Improvements	IV-7
U.S. 1 Boulevard Concept	IV-7
Thoroughfare and Circulation System	IV-9
Bicycle and Pedestrian Enhancements	IV-9
Transit-Oriented Development (TOD) Opportunities	IV-9
Final Transportation and Mobility Recommendations	IV-11
C. Utilities to Support New Development	IV-12

Contents	Section - Page
Urban Services	IV-12
Managing Storm Water	IV-13
D. Implementation Program	IV-14
FLUM Consistency	IV-14
Zoning and Overlay District	IV-13
Funding	IV-13
Concurrency Management	IV-15
Transportation Enhancement Program	IV-16
Tax Increment Financing	IV-16
<hr/>	
Appendix;	
Visual Preference Survey	1 - 16
<hr/>	
List of Maps	
<hr/>	
Map 1 Vicinity	I-2
Map 2 Study Area	I-4
Map 3 Building Type and Condition	II-11
Map 4 Historically Significant Structures	II-13
Map 5 Natural Features	II-15
Map 6 Existing Street Characteristics	II-19
Map 7 Public Utilities	II-27
Map 8 Future Land Use	II-33
Map 9 Zoning	II-36
Map 10 Regulating Plan	IV-18
Map 11 Special Requirements Plan	IV-19
Map 12 Regulating Plan with Neighborhood Pedestrian Sheds	IV-20
Map 13 Illustrative Plan	IV-21
Map 14 Thoroughfare Types Plan	IV-22
<hr/>
