# **DRI-RELATED LAND USE APPLICATION CHECKLIST** **And CERTIFICATION For SUFFICIENCY**

*The following listing below reflects the basic application package required for submission of a DRI-related Land Use Amendment application. Please check each box below for assurance of inclusion and attach this signed and dated checklist to the land use application. The applicant is encouraged to submit the rezoning application approximately one month prior to the JP&DD staff receiving the ORC Report from Florida DCA. Please note that a companion PUD rezoning application must be submitted to the appropriate Land Use Planner.*

**Two (2) complete Sets of the DRI-Related Land Use Applications must be filed. The application form and required exhibits must be submitted on 8½ X 11 sized paper and clamped/paper-clipped (not stapled) in the following order:**

- [ ] Fully completed application form filled out in conjunction with the District Land Use Planner's assistance. In accordance with formatting procedures indicated in the application instruction manual, "**Page \_\_ of \_\_**" must be placed in the lower left corner of each and all pages of the application. The JP&DD staff will number all application pages just prior to forwarding the application on to the General Counsel and the City Council's Legislative Services Division. The staff will also number the application's appropriate **Exhibit 1** pages.
- [ ] **Exhibit 1** - A very clear, accurate and legible legal description of the property on both the "**Resolution and Ordinance format**" forms provided **only** by the JP&DD (**Exhibit 1**). (The legal description should not be a faint or distorted copy that is difficult to read or duplicate.) **The entire legal description must be on these Exhibit 1 pages. Do not number Exhibit 1 Pages.**
- [ ] **Exhibit A** – A notarized letter from each property owner(s) that involves a request for a land use change. One copy of the warranty deed(s) (reduced down to 8½ X 11 pages) must be submitted as supplemental information, but not attached to the formal application.
- [ ] **Exhibit B** – A notarized letter signed by the property owner(s) that provides authorization for the application's agent to represent owner(s) (if applicant is not the owner).
- [ ] Wetland map (if site contains wetlands) indicating exact location, acreage size, & types of wetlands found on site.
- [ ] Additional information found by JP&DD staff to be required during the Pre-Application Conference.

---

*I attest by my signature that all required information for this DRI-Related Land Use Amendment Application is completed and duly attached in the above-prescribed order. If the package is found to be lacking the above requirements, I understand that the application will be returned for correct resubmission. I further acknowledge that if my application is found insufficient due to inaccurate or inadequate information past the sufficiency review deadline, processing of my application would be deferred until my application is found sufficient.*

# **INSTRUCTIONS FOR COMPLETING THE APPLICATION FOR REQUESTING DRI-RELATED LAND USE AMENDMENT TO THE 2010 COMPREHENSIVE PLAN**

## **I. GENERAL INFORMATION**

- A. Applicant's Name, etc:** Give the name, address, daytime phone number, fax number and email address of the applicant. The applicant is an individual who will be the contact person for all business relative to this application.

Apart from the public agencies/officials stated in Section 650.401(b) of the *Ordinance Code*, an applicant for a plan amendment for a parcel of real property may be the owner or a representative/agent of the owner(s) of the property. The agent/representative may be a person, firm or agency that is specifically designated by the owner(s).

- B. Owner's Name, etc:** Enter the name, address, daytime phone number and fax number of the property owner. (The owner may be a person, firm, agency or an organization). If the application for the property includes more than one name, attach a separate sheet listing all of the property owner's names, addresses and daytime telephone numbers.

## **II. DESCRIPTION OF THE PROPERTY**

- A. Property Acreage:** Indicate the total land area (to the nearest 1/100th of an acre) of the subject property.

**NOTE:** If an application indicates the existing land use category to be more than one category, then the applicant in Section IV-B of this application must provide the acreage breakdown for each of the site's existing land use categories within the proposed site requested for change.

- B. Property Location:**

- 1) **Property Appraiser's 'RE' Number:** From Duval County's Property Appraiser's records, indicate all of the real estate (RE) numbers for all of the parcels included in this application for land use change. (Provide the RE number also if only a portion of a parcel is being changed.) Please list the RE numbers on the form in ascending numerical order.
- 2) **General location:** Give the generalized description of the subject property's location in the City. (Examples: "on the north side of Dunn Avenue and east of Lem Turner Road" or "at the NW corner of Beach Boulevard and Southside Boulevard" or "on the north side of Normandy Boulevard and 500 feet east of CSX Transportation Railroad").
- 3) **Property Address:** Indicate the street address of the property (assigned by the *Zoning Section* of the City).

- 4) **Subdivision, Block and Lot:** If subject property is part of one or more subdivisions indicate the subdivision name, block number(s) or letter(s) and the lot number(s).
  - 5) **Between Streets:** Indicate the names of nearest streets (or major physical landmark such as a power line easement or a creek or river) on both sides of the subject property.
  - 6) **Planning District:** Indicate the City of Jacksonville's designated planning district name and number in which the subject site is located.
  - 7) **Council District:** Indicate the City Council District number in which the subject property is located.
  - 8) **Land Use/Zoning Panel Number(s):** Identify all of the zoning panels (maps) in which the application site is located on. If the site is located on multiple map panels, list the map panel first, which includes the majority of the site in the application.
- C. **Utilities serving the site for potable water and sanitary sewer:** Enter the name of the utility/utilities serving the site for potable water and sanitary sewer. If the property is not currently served by any water supply and/or sewage disposal system(s), indicate how the service will be provided to the site. **If the provider for water or sewer is a private utility, please provide the utility's name and mailing address.**

### III. LAND USE AMENDMENT/REZONING REQUEST INFORMATION.

- A. **Current utilization of the property:** Indicate how all of the subject property is presently being utilized, i.e.; retail store, office, vacant land, vacant commercial building, convenience store, gas station, single-family residence, dairy farm, etc.
- B. **Current 2010 Comprehensive Plan Land Use Designation(s):** Indicate the functional land use category(s) for the subject property on the adopted Future Land Use Map series (FLUMs) of the 2010 Comprehensive Plan. **If there is more than one land use category on the site, please indicate each land use category's acreage amount as well as the total site's acreage to nearest 1/100th of an acre (II. A. of application on page 1).**
- C. **Requested Land Use Designation:** Indicate the land use category that is being requested for the property. (This category must be from the land use classifications included in the Future Land Use Element (FLUE) of the *2010 Comprehensive Plan*.)
- D. **Surrounding Land Use Designations:** Indicate the land use categories that surround the entire subject property. (These categories must be from the land use classifications included in the Future Land Use Element (FLUE) of the *2010 Comprehensive Plan*.)
- E. **Reason/Justification for the amendment:** Explain the basis for your request. Give solid and convincing reason(s) as to why the current designation is not appropriate for the property, and why the requested use is more suitable.

Chapter 9J-5, FAC requires adequate data and analysis to justify any change(s) in an adopted plan. Accordingly, any relevant information, which will support the request, should be included. This may include:

1. Compatibility of the requested use(s) with the existing and proposed land uses depicted on the FLUMs for the area adjacent to the subject property.
  2. Relationship of the property to the surrounding road network.
  3. Availability and demand for sanitary sewer, solid waste, drainage, potable water, traffic circulation, recreation, schools, and fire and rescue services.
  4. Compatibility of the proposed land use amendment with the objectives and policies of the FLUE and other *2010 Comprehensive Plan* elements.
  5. Availability of, and demand for, land in the land use category requested.
- F. Current Zoning District Designation(s):** State the existing zoning for the subject property. If the property has more than one zoning district, include a map showing the zoning district boundaries. **If there is more than one zoning district on the site, please indicate the amount of acreage for each zoning district within in the proposed site's companion rezoning application.**
- G. Requested Zoning District Designation:** Indicate the zoning district desired for the property under the requested land use.

#### **IV. REQUIRED ATTACHMENTS**

- EXHIBIT 1 Legal Description:** Attach a copy of the legal description of the property, which is one of the documents included in the package when the property is purchased. The legal for the land area of the requested land use amendment only should be placed on a separate page titled. **Please use the current LEGAL DESCRIPTION (Exhibit 1) forms provided by the Planning and Development Department. SEMI-ANNUAL AND DRI-RELATED APPLICATIONS MUST INCLUDE BOTH THE RESOLUTION AND THE ORDINANCE FORMATTED FORMS FOR EXHIBIT 1 – Legal Descriptions. Please do not create your own legal description pages!** The legal must be clearly legible.
- EXHIBIT A Property Ownership Affidavit:** The application must include this form that provides a notarized affidavit from each property owner that has property included within the boundaries of the proposed land use amendment application. If the property or properties are corporately owned, then an officer of the corporation may be designated to sign this Exhibit for the corporation. **One copy of the appropriate deeds will also be required for submission, but should not be included with the formal application. The deeds should be submitted under separate cover for the staff's use in verifying ownership.**
- EXHIBIT B Agent Authorization:** This notarized letter(s) designates the agent: If the applicant is a representative or an agent of the property owner(s), attach letter(s) signed by owner(s) designating the representative/agent. The letter(s) must be duly notarized. If

the owner is a firm or corporation, the official who is authorized to sign such documents on behalf of the firm may sign the letter.

## **V. SUPPLEMENTARY INFORMATION**

The applicant may furnish any additional information in support of his request. This may include information, including maps, relating to:

- A., B., C., D. and F. Natural features** - such as soils, vegetation, wetlands, topography, flood prone areas, groundwater aquifer recharge areas etc.
- E. Historic Resources:** Indicate if there are any known historic or archaeological resources on the site or if the site is within an historic district.
- G. Other Support Data:** Socio-economic data, market studies, traffic analysis, specially designated district(s), i.e.; AICUZ, Wellhead Protection Zone etc.

## **VI. DRI/FQD RELATED DEVELOPMENT**

This part is only for requests for plan amendments that are related to a DRI or FQD pursuant to Chapter 380.06 *F.S.* In case of a proposed amendment that has been determined to be a "Minor Deviation" to an already approved DRI/FQD, include a copy of the "Binding Letter of Interpretation" issued by the Northeast Florida Regional Planning Council.

---

# **GENERAL COMMENTS AND REQUIREMENTS**

**Proof of payment of filing fees:** After the Jacksonville Planning and Development Department has conducted the Preview Workshop and found the application to be sufficient for required application information and data, the Department will issue the applicant an invoice and Tax Collector "CR" Invoice for the required land use application indicating the amount of application fees. The applicant shall present the two-page invoices to the Tax Collector's Office, pay the required application fees, and return the original validated City of Jacksonville's "CR" Statement and JP&DD invoice to the Department to make a copy of the validated invoices for the applicant's own records and retain the original 2 invoices. Proof of payments finalizes the official opening of the application to go through the legislative process. **Please do not go to the Tax Collector's office without the appropriate two invoice pages.**

If the DRI-relate land use amendment is approved by the City Council and Mayor for transmittal to Department of Community Affairs, then the applicant will be informed that the application has been forwarded to DCA. The applicant will also be informed as to the deadline for filing a companion rezoning application if the applicant wants to see the rezoning application be introduced for adoption at the same time as the land use amendment goes through adoption process before the City Council. After the filing of the rezoning application, the applicant will be invoiced for payment in the same manner as the land use amendment.

All maps, site plans and attachments included in the applications must be 8 1/2" x 11" in size. Exceptions may be made for very large parcels of property associated with Semi-Annual land use amendment applications as supplementary information. Every map must include the title, legend, scale and the north arrow. The maps should be black and white and the patterns, where used, should be clearly distinguishable from each other. All lettering and printing must be clearly legible, including the names of streets and any other significant features.
