

ADOPT-A-ROAD Program Overview

The Adopt-A-Road program is an environmental program of Keep Jacksonville Beautiful / City of Jacksonville Environmental Resource Management Department, and the Clean It Up, Green It Up Division. The program enables businesses and non-profit groups to adopt, under an annual agreement, an area of city-maintained roadway for the purpose of litter removal.

Non-Profit and Business Group Agreement

- * **Monthly removal of roadside litter and proper disposal** (*groups are encouraged to seek partnerships with area business owners. Some business owners are willing to help groups by giving permission to use their privately-funded dumpsters to allow small deposits of bagged, collected litter*);
- * **Reporting monthly participation and collection results to Clean-It-Up, Green-It-Up** (*date of each cleanup, total number of volunteers, total number of volunteer hours, and total number of bags collected*);

Reporting Options:

1. Telephone 630-3420 (voice mail available)
2. Fax to 630-7206
3. E-mail: cleanupvolunteers@coj.net or ddurbec@coj.net or vharrell@coj.net (*please reference "Adopt-A-Road" on e-mail subject line*)
4. Online Cleanup Reporting: www.coj.net, then go to Environmental Resource Management Department, and click on Clean It Up, Green It Up. (Be sure to insert your numbers on the form.)

Ideal Adopted Roadway

Where possible, a mixture of commercial and residential property, which is approximately one mile in length

Program Supplies for the Year

Two roadway signs recognizing your organization
Orange trash bags, Orange safety vests, Disposable gloves

Additional Services Available Upon Request
