## La Guía

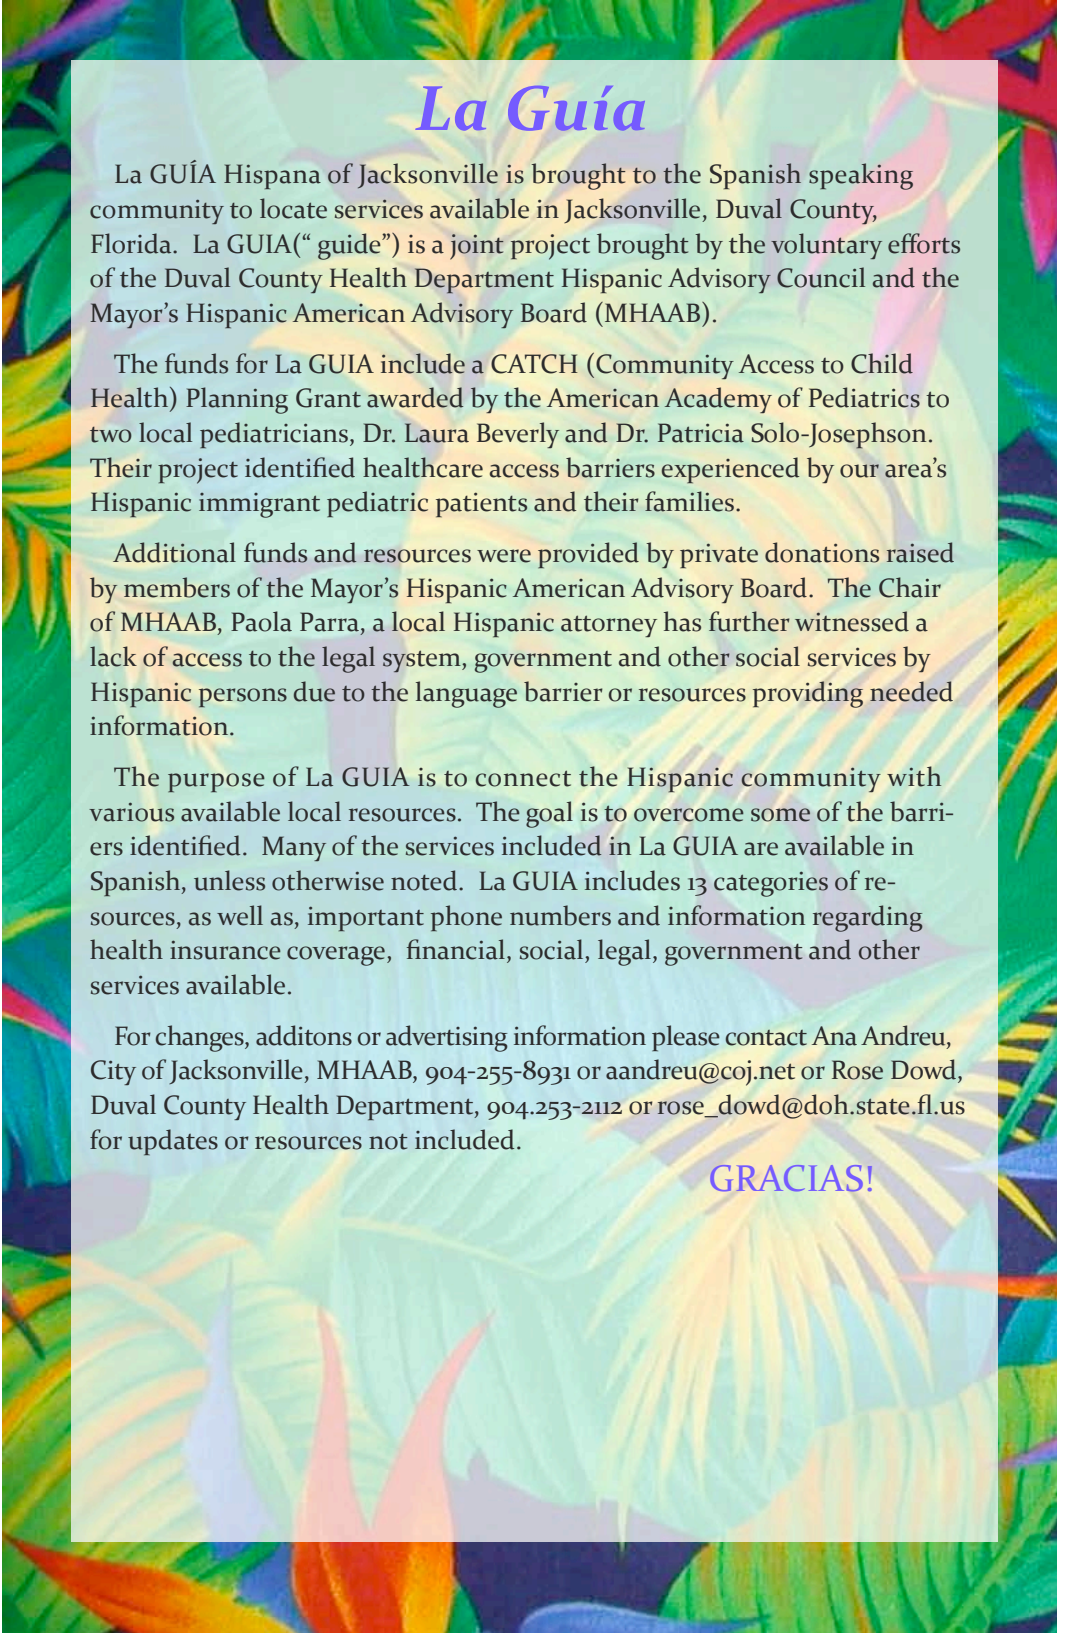

La GUÍA Hispana de Jacksonville provee una lista de recursos y servicios disponibles para la comunidad de habla hispana en Jacksonville, Condado de Duval. La GUÍA es un proyecto colectivo de los esfuerzos voluntarios del Consejo Hispano del Departamento de Salud del Condado de Duval (Duval County Health Department Hispanic Advisory Council) y de la Junta Hispana Asesora del Alcalde (Mayor's Hispanic American Advisory Board, MHAAB).

La financiación de La Guía fue posible gracias al apoyo de una subvención otorgada por la Academia Americana de Pediatría a dos pediatras locales, las doctoras Laura Beverly y Patricia Solo-Josephson, CATCH (Community Access of Child Health, Acceso Comunitario a la Salud Infantil). Su proyecto identificó los obstáculos que enfrentan los pacientes pediátricos inmigrantes Hispanos de nuestra área y sus familias.

Fondos y recursos adicionales fueron aportados por donaciones privadas recaudadas por miembros de la Junta del Consejo Hispanoamericano del Alcalde (Mayor's Hispanic American Advisory Board). La presidenta de la MHAAB, Paola Parra, abogada hispana local, también ha sido testigo de la falta de acceso al sistema legal, al gobierno y a otros servicios sociales por parte de los hispanos debido a las dificultades en el idioma y la escasez de información específica.

El propósito de La GUÍA es conectar a la comunidad hispana con los servicios y recursos disponibles localmente. El objetivo es superar los obstáculos previamente identificados. Muchos de los servicios incluidos en La GUÍA están disponibles en español a menos que se indique lo contrario. La GUÍA incluye 13 categorías de recursos, así como números de teléfono importantes e información sobre la cobertura de seguros de salud, servicios financieros, legales y gubernamentales entre otros. La información proporcionada está sujeta a cambios. Por favor, póngase en contacto con Ana Andreu, Ciudad de Jacksonville, MHAAB, 904-255-8931 o [aandreu@coj.net](mailto:aandreu@coj.net) o Rose Dowd, Departamento de Salud del Condado de Duval, 904-253-2112 o [Rose\\_Dowd@doh.state.fl.us](mailto:Rose_Dowd@doh.state.fl.us) para mantenerse al día y para información no incluida.

¡GRACIAS!

## *La Guía*

La GUÍA Hispana of Jacksonville is brought to the Spanish speaking community to locate services available in Jacksonville, Duval County, Florida. La GUIA(“ guide”) is a joint project brought by the voluntary efforts of the Duval County Health Department Hispanic Advisory Council and the Mayor’s Hispanic American Advisory Board (MHAAB).

The funds for La GUIA include a CATCH (Community Access to Child Health) Planning Grant awarded by the American Academy of Pediatrics to two local pediatricians, Dr. Laura Beverly and Dr. Patricia Solo-Josephson. Their project identified healthcare access barriers experienced by our area’s Hispanic immigrant pediatric patients and their families.

Additional funds and resources were provided by private donations raised by members of the Mayor’s Hispanic American Advisory Board. The Chair of MHAAB, Paola Parra, a local Hispanic attorney has further witnessed a lack of access to the legal system, government and other social services by Hispanic persons due to the language barrier or resources providing needed information.

The purpose of La GUIA is to connect the Hispanic community with various available local resources. The goal is to overcome some of the barriers identified. Many of the services included in La GUIA are available in Spanish, unless otherwise noted. La GUIA includes 13 categories of resources, as well as, important phone numbers and information regarding health insurance coverage, financial, social, legal, government and other services available.

For changes, additions or advertising information please contact Ana Andreu, City of Jacksonville, MHAAB, 904-255-8931 or [aandreu@coj.net](mailto:aandreu@coj.net) or Rose Dowd, Duval County Health Department, 904.253-2112 or [rose\\_dowd@doh.state.fl.us](mailto:rose_dowd@doh.state.fl.us) for updates or resources not included.

The Mayor's Hispanic American Advisory Board (MHAAB) together with the First Coast Hispanic Chamber of Commerce (FCHCC) are proud to continue with its tradition of supporting education in our Hispanic community.

The scholarships are awarded annually to eligible Hispanic students from northeast Florida. Applications are typically due by July 1 each year; selections are made by the Scholarship Committee during the summer and students are informed in early September. Scholarships are awarded during the "Achieving the Dream" scholarship event held during "Hispanic Heritage Month". The number and value of scholarships varies from year to year. In 2010, \$32,000 and in 2011, \$45,000 scholarships were awarded by the FCHCC and MHAAB. Scholarship monies are raised by the generosity of donations made by local and national businesses such as Winn Dixie, CSX Transportation, State Farm Insurance, Citi and Blue Cross and Shield and others.
