Environmental Quality Division (EQD)
Well Permit Application Fee Schedule for Construction, Repair, Modification, and
Abandonment**

Well permit application fees are based on the well type and depth. In accordance with City Ordinance Code Section 123.102(d)(1), the application fees shown below are per well for construction, repair, or modification. There is no fee for abandonment/well plugging permit applications. The F and H designations in the fee schedule refer to Floridan Aquifer System wells and the shallower Intermediate (Hawthorn Group) - Surficial Aquifer System wells, respectively.

A completed application must be submitted to EQD in accordance with City Ordinance Code Section 366.302 and Environmental Protection Board Rule 8.504 - 8.505 requirements. The application must be completed in full using the approved form (Application for Permit to Construct, Repair, Modify, or Abandon a Well; 5/26/2011 Revision) and be accompanied by the appropriate application fee.
