The Jacksonville Housing Finance Authority (the "Authority") announces the availability of funds and is requesting applications for the consideration of providing local government support for qualified multifamily housing developments which meet the goals of the Authority and comply with applicable federal and state law. The Authority has adopted the following guidelines to set forth the general requirements and procedures that apply to the financing of multifamily housing developments. The Authority may waive specific provisions of these guidelines where good cause is shown and adequate supporting documentation is provided. Any waiver is at the sole discretion of the Authority, and may require approval by the Jacksonville City Council. In addition, these guidelines may be amended, revised, repealed or otherwise altered by the Authority with or without notice. The Authority specifically welcomes requests for proposed alternative resident programs or development/unit features.

All applications submitted will be reviewed by the Authority's Financial Advisor, who will make recommendations to the Board. The Board will decide whether or not to authorize commitment letters and loans providing Local Government Support for developments seeking FHFC funding. Submission of an application does not entitle the Applicant to financing, even if sufficient funds remain.

The Authority will not consider issuing commitment letters to provide financing for any development unless the applicant has satisfied the general requirements set forth in these guidelines, submits a timely, complete, and acceptable application and complies with all of the procedures and requirements contained within the Authority's application procedures and program guidelines. Copies of the Application are available at the Authority's website:

<http://www.coj.net/departments/independent-boards-and-agencies/jacksonville-housing-finance-authority/multifamily-programs.aspx>

The Authority reserves the right to impose additional requirements on any particular development. Compliance with these guidelines does not and shall not create any right by an applicant to a commitment or assurance that the Authority will provide the requested financing.

The Authority provides local government support to assist in the construction, rehabilitation and permanent financing of multifamily housing developments. The estimated amount of funds available for local government support is approximately \$1,500,000. Up to this amount can be used for multifamily developments seeking SAIL from FHFC pursuant to FHFC RFA 2017-108 and/or seeking Housing Credits from FHFC pursuant to FHFC RFA 2017-113, or other FHFC Housing Credit RFA which requires a local government contribution.

**NOTE: JHFA intends to provide Local Government Area of Opportunity Funding for one Applicant in conjunction with FHFC RFA 2017-113. Any Applicant responding to this NOFA, seeking the funding to achieve the lower amount of points available for a local government contribution, should be fully aware of JHFA's intent. JHFA also intends to select one Applicant to receive the local government contribution, with a full understanding that the Applicant will not be successful within the FHFC process unless the Applicant receiving the Local Government Area of Opportunity Funding fails FHFC threshold scoring. The Applicant so selected will serve solely as a "backup" application, to insure that Jacksonville receives Housing Credits, even if the preferred development is not selected by FHFC.**

**The maximum amount of the Local Government Support loans funded pursuant to this NOFA is the amount that will allow local projects to score the maximum number of points for local government contribution (not Local Government Area of Opportunity Funding) under FHFC RFA 2017-108, FHFC RFA 2017-113, or other FHFC Housing Credit RFA for which credits are being applied for, Loans will be structured to achieve a net present value contribution of the amount necessary to score the maximum amount of points..**

All applications received will compete with each other and be selected by the Authority for the available funding. Applications will be reviewed against the criteria listed below and, if selected, each loan will be subject to the minimum loan terms stated below.

Applications related to FHFC RFA 2017-108 are due no later than 5:00 PM, Eastern Daylight Time, **September 11, 2017**. Applications related to FHFC RFA 2017-113 or any other FHFC RFA are due no later than 5:00 PM, Eastern Standard Time, **November 8, 2016**. The application cycle will be processed according to the Authority's guidelines (which guidelines provide, however, that any remaining allocation-available after the application cycle may be made available to applicants on a first-come, first-served basis). For more information, contact Mark Hendrickson.

#### 5. **DISCLAIMER**

The JHFA will determine the NPV of the loan/contribution at the time of the loan commitment.

The JHFA is taking no responsibility that FHFC in their initial scoring, or in any scoring revisions that take place due to legal disputes between applicants in FHFC RFA 2017-108, FHFC RFA 2017-113, or any other FHFC RFA, will ultimately agree with this calculation. It is our best estimate of the NPV, but we are assuming NO LIABILITY if FHFC or any judicial or quasi-judicial body comes to another conclusion.

If approved for a loan, and with that understanding, if you would like to have a local government contribution loan form executed by the City, please fill out the form and submit to both Laura Stagner and Mark Hendrickson prior to the submission deadline.

If you dispute the NPV calculation, please contact Mark Hendrickson to discuss.
