<b>Program Strategy:</b> Focusing on Felon Re-Entry		
<p><b>Summary of Program:</b> Program delivers job placement assistance and state-licensed vocational training resulting in industry certifications to proxy-eligible former offenders. Additional supportive services delivered include individualized case management with linkage to mainstream benefits, mental health counseling, health &amp; vision screenings, soft skills employment training, life skills training, GED &amp; ABE classes and housing placement assistance.</p> <p><b>Program Overall Status:</b> Program Overall Status: December 2016: 19 proxy-eligible ex-offenders were provided employment training, job placement, housing and/or supportive services. 5 enrollees (26%) were designated violent offenders as defined by Florida Statutes. 69% of all eligible ex-offenders served by the program had a proxy score of 5 -7. Successes: 1 eligible former offender became employed. Graduation of the prior vocational class occurred on 12/22/16.</p> <p><b>Challenges:</b> Delays in receiving documentation of employment, and further restrictions on participant eligibility through the limitation of service to persons released from custody within the last 24 months. Persons outside the 24-month window with high proxy scores and lengthy arrest history often reflect limited access to complete arrest information. Without client disclosure, information is typically only available through Duval County and the Florida Department of Corrections. Arrests occurring in other Florida counties or out of state cannot be readily documented.</p>
