8	Catholic Charities Bureau, Inc., Jacksonville Regional Office	HOPWA	Activities Addressing the Housing Opportunities for Persons with AIDS	Emergency Financial Assistance and Case Management Program	\$1,100,000.00	525	People	Provide short term rent, mortgage and utility assistance, temporary lodging, and case management. Assistance with rent, mortgage, and utilities can be provided for up to 21 weeks per household within each grant period. Case management is a priority and the project is proposing an increase in case management units that will enable to provide the clients need to achieve housing stability given their chronic health condition.	YES	96	<b>\$1,049,356.92</b>
9	Catholic Charities Bureau, Inc., Jacksonville Regional Office	ESG	Emergency Solutions Grant	Emergency Financial Assistance and Case Management Program	\$230,000.00	65	People	Provide emergency financial assistance and case management to 46 very low income clients at risk of homeless households to help them become stably housed. Also, provide rapid re-housing services to 19 homeless households to help them become stably housed. Assistance may include current rent payment, deposits, and utilities at a new residence along with case management while the client participates in a housing stabilization plan.	YES	97	\$60,173.63
10	Catholic Charities Bureau, Inc., Jacksonville Regional Office	CDBG	Public Service - Homeless prevention for low-income persons	Case Management Emergency Financial Assistance Program	\$100,000.00	6,000	People	Provide emergency financial assistance and case management to low and moderate income families to help keep them stably housed. Some case management services will also address the rapid re-housing needs of homeless persons.	YES	98	<b>\$50,000.00</b>
11	Changing Homelessness, Inc.	ESG	Emergency Solutions Grant	ESG Data Collection and Analysis - HMIS	\$47,400.00	125	People	Program goals are to demonstrate effectiveness of emergency solutions grant funding and determine what additional or ongoing training is needed to achieve sustainable results. Program deliverables include training and support for all ESG awardees on HMIS and ESG national best practices and monthly reporting to both COJ and awardees on HMIS and data quality, number of clients, services provided and outcomes of the program.	YES	90	<b>\$40,000.00</b>
12	City of Atlantic Beach	CDBG	Public Facility Improvement - Park Amenities. Neighborhood Revitalization - Park Amenities	Jordon Park Improvements - Walking Trail Construction	\$100,000.00	2,000	People	Proposes to construct approximately 810 linear feet of ADA compliant concrete walkway within Jordan Park to provide park patron great accessibility to par amenities. Two walkway initiating points will begin at Francis Avenue and at the Community Center entrance, meeting at the picnic pavilion. The path will make a loop through the park providing accessibility to adult and children's basketball courts as well as the playground. Project will improve the public facility and address current ADA accessibility issues and create an amenity to be utilized by all park visitors.	YES	94	<b>\$81,436.00</b>
13	City of Jacksonville Beach	CDBG	Public Services - Crime Awareness / Prevention	CA.P.E. (Community Assisted Policing Effort)	\$65,882.02	3,770	People	Program is designed to allow for dedicated police officers to be the primary providers of police services in the Pablo Beach South neighborhood. They handle the daily policing needs of this community, with the entire police organization backing the efforts of these neighborhood officers. The program is designed to optimize contact between patrol officers and community members enabling the officer to develop an intimate knowledge of the day-to-day workings of the community and become familiar figure to community members. This knowledge provides information about ongoing crime trends, encourages community involvement in solving problems in their neighborhood, and identify deteriorating conditions which contribute to the overall decline of the neighborhood.	YES	88	<b>\$54,000.00</b>
14	City of Jacksonville Beach	CDBG	Public Services - Youth Services	Carver Center Recreation Center	\$108,424.60	350	People	Provide a safe environment for the Pablo Beach South children through supervised after-school and summer activities. The program is community driven and expands learning opportunities that support developmentally appropriate cognitive, social, physical, and emotional outcomes. In addition, the program offers a balanced program of academic support and recreation. Provides a place within the target population to assist neighborhood adults and parents with enrolling in public assistance programs and in identifying additional resources within the community.	YES	92	<b>\$88,366.00</b>
15	City of Neptune Beach	CDBG	Public Services - Seniors	Senior Activity Center	\$44,895.00	1,250	People	Providing a public service (Non-Housing/Special Needs) in a clean, safe, easily accessible environment to senior adults living in Neptune Beach, Atlantic Beach, Jacksonville Beach, and surrounding Duval County and Northern St Johns County. The project's goal and objective is to provide and encourage independent living and enhance the quality of life for persons 60+ by promoting, sponsoring and coordinating programs/activities which are socially, physically, culturally and intellectually stimulating.	YES	74	<b>\$44,895.00</b>

16	Clara White Mission, Inc.	ESG	Emergency Solutions Grant	Transitional Housing with Vocational Training and Supportive Services - Priority 2	\$54,799.00	100	People	To address the priority of Homeless Services / Prevention through its targeting of homeless individuals and families. Dedicated housing location services and case management provided through the agency will aid 100 homeless in acquiring shelter, transitional or permanent accommodations immediately, with the goal of permanent housing placement within 12 months.	YES	95	\$54,799.00
17	Clara White Mission, Inc.	CDBG	Public Service - Transitional Housing / Vocational Training	Transitional Housing with Vocational Training and Supportive Services - Priority 1	\$83,578.00	280	People	Transitional housing and state-licensed vocational training and job placement assistance, with the overall goal of moving homeless and low income participants to employment, permanent housing and independent living. Housing and vocational programming is supplemented with case management, mental health counseling, life skills training, GED classes and transportation assistance. Services will increase employability, income and independence by providing a stable environment that meets basic needs in addition to providing means by which the participant may achieve their objectives of self support. Project being proposed is for acquisition or funding to be used for the replacement of Ladder 1 and Ladder 4. Project will direct address the priority of public safety as it relates to Fire Rescue ability to respond in a safe, efficient and durable apparatus with very limited down time due to repairs and maintenance. Both proposed projects are considered in an LMA area.	YES	97	\$25,273.67
18	COJ - Fire Rescue Department	CDBG	Public Facility Improvement - Fire Station - Equipment	Purchase of two Ladder Trucks	\$1,100,000.00	75,429	People	Expand its multi-media educational awareness campaign that utilizes print and electronic media to include use of social media. The campaign would seek to dispel concerns and make it easier for persons of other national origins to file complaints without fear of retaliation. Campaign would augment JHRC educational outreach efforts and raise awareness of fair housing rights and the steps to take.	YES	97	\$1,100,000.00
19	COJ - Human Rights Commission	CDBG	Public Service	Fair Housing Awareness	\$25,000.00	30,300	People	Code Enforcement or substandard housing and nuisance properties within Duval County, Jacksonville. The project addresses vacant and opened structures via board up; direct correlation exists between vacant/open/blighted properties and some criminal activities. Also, the project addresses abatement/securing of those properties, which create dangerous, blighting, and/or slum conditions within target areas and city-wide.	YES	89	\$20,000.00
20	COJ - Municipal Code Compliance Division	CDBG	Slum or Blight	Code Compliance	\$250,000.00	868,031	People	Project offers seniors an opportunity with low to mod low-income to volunteer by working. The scope of the FGP supports economic development and job creation, allowing the volunteers to learn job skills, techniques, and to earn a stipend. Program offers educational enhancement for the senior volunteers by means of training. With this training (Child Care accreditation) FGP senior volunteers can work at any Daycare Center to earn additional income. Eighteen seniors will service 700 people.	YES	96	\$250,000.00
21	COJ - Park, Recreation and Community Service / Senior Services	CDBG	Public Service	Foster Grandparent Program of Jacksonville (Duval County)	\$31,800.00	18 / 700	People	Project designed to provide essential community-based respite care and support services to frail, homebound, economically disadvantaged and health challenged elderly population and their caregivers living in neighborhoods with limited resources. These services prevent premature placement in costly nursing homes, elder abuse and allow the elderly to "age in place" while providing needed temporary relief to their overwhelmed caregivers. The program will also create partnerships with other community agencies and faith-based organizations to increase community awareness of program services, and increase volunteer opportunities.	YES	100	\$31,800.00
22	COJ - Park, Recreation and Community Service / Senior Services ILP	CDBG	Public Service	Independent Living Program	\$120,000.00	350	People	Program will afford seniors the opportunity to interact with their peers through socialization and community engagement. These special events and programs offer positive engagement socialization in community settings and provide seniors the opportunity to socialize with peers, exercise, challenge minds, and enjoy well-organized outings and activities. Funds will be used thru the SPOA to provide seniors the opportunity to participate in activities designed and developed to meet the needs of the growing elderly population in the City of Jacksonville.	YES	87	\$120,000.00
23	COJ - Parks, Recreation and Community Service / Senior Services SPOA	CDBG	Public Service	Special Programs for Older Adults (SPOA)	\$50,000.00	14,000	People	Play sculpture incorporating the ultimate play experience with the appeal of art. Provides multiple play experiences: tactile, sensory, motion, offers play under the structure, and inspires imaginative, open-ended play experiences.	YES	81	\$25,000.00
24	COJ - Parks, Recreation and Community Services	CDBG	Public Facility Improvement - Playground	Northbank Riverwalk Play Structures	\$134,000.00	61,365	People		YES	86	\$134,000.00

25	COJ - Parks, Recreation and Community Services	CDBG	Asphalt Path Infrastructure	Hogans Creek Greenway Phase III	\$168,500.00	65,225	People	Funds will be used to address the active transportation needs of the Springfield, Sugar Hill and adjacent communities. The original master Plan for the project was developed by HDR and the Project for Public Places in 2009. Phase III would complete the 12 foot multi-use asphalt path from Market St to Liberty St connecting into a planned buffered bike lane into downtown.	YES	91	\$168,500.00
26	COJ - Planning and Development	CDBG	Public Facility Improvement - Bike Lanes	Urban Bike Lanes	\$130,000.00	77,429	People	Addressing the active transportation needs of the Springfield, Sugar Hill and adjacent communities. Buffered bike lanes on these sections of Myrtle Avenue, Boulevard Street, and Liberty Street will encourage new Bicycle commuters and provide a safer means of travel for current bicyclists. Project will in turn help improve street level pedestrian walkways within the project area.	YES	89	\$130,000.00
27	COJ - Public Works	CDBG	Infrastructure	Riverview Water Lines	\$1,092,630.00	-	People	Multiphase water line installation project that is shovel ready. Funds will allow entire project to be completed.	YES	60	\$0.00
28	COJ - Public Works	CDBG	Public Facility Improvement	5656 Moncrief Road Restoration	\$201,061.50	8,119	People	Rehabilitation of a city-owned building with potential use of numerous activities: Community Center, Parent Resource Room, afterschool program. This will add a new Community Center in an underserved neighborhood.	YES	68	\$0.00
29	COJ - Public Works	CDBG	Infrastructure	ADA Curb Ramp Improvements - Westside	\$950,330.00	42,642	People	Addressing the mandates within the settlement agreement between the US Dept. of Justice and the City of Jacksonville by providing curb ramps or other sloped areas complying with the 2010 ADA Standards at all intersections of streets, roads, and highways that have been constructed or altered since January 26, 1992, having curbs or other barriers to entry from street level pedestrian walkways within the neighborhoods. Project will be performed by two Section 3 contractors procured through the City's bidding processes. Specified areas will become ADA compliant according to the 2010 ADA guidelines which will also address those in the community who have disabilities.	YES	91	\$950,330.00
30	Daniel Memorial, Inc.	CDBG / SHIP	Public Facility Improvement - low income persons	Hurricane Preparedness - Woodcove and Midview Residential Cottages	\$39,169.86	100	People	Project involves installing alternative power sources (generators) for two Daniel residential cottages. The generators will ensure there will be sufficient power for cooking, appliances, AC and emergency equipment.	N/A	Did not meet threshold requirements.	N/A
31	Dolores Yigal's Blessings from Beyond	CDBG / HOME	Housing Development for Rental	A Soldier' Home	\$40,000.00	None	People	The property will be renovated into A Soldier's Place is a two bedroom two bathroom condominium.	N/A	Did not meet threshold requirements.	N/A
32	Downtown Vision Alliance	CDBG	Public Services - Public Safety and Health	Downtown Jacksonville Social Service Outreach Specialists	\$138,392.97	3,000	People	Program will provide transients interaction with two social service outreach specialists who would act as counselors for transient or indigent individuals. These two positions would be hired by this agency via its publically procured national consultant Block by Block with the specific expertise to complete this role. The two SSOS will cover urban district and respond to ambassador requests for social service need, providing an additional layer of aid to people in need, as well as making Downtown a better place to live, work, visit and invest.	YES	84	\$55,000.00
