2017

Indoor Programs

Animals at Risk

Learn about Florida's endangered and threatened wildlife. Replica skulls will be viewed.

Terrific Turtles

Florida is home to a variety of turtles on land and in water. Learn more about them while viewing living and nonliving specimens.

Awesome Alligators

Learn the facts about this important and ancient animal. Replica skulls will be used.

Simply Snakes

Join us for a study of local snakes. Living and nonliving specimens will be included.

Outdoor Programs

Bike Hikes

Join these leisurely nature - based rides along the Jacksonville-Baldwin Rails to Trails. Bring your own bikes. Riders age 16 and under must wear helmets.

Outdoor Observations

Exercise your powers of observation as we take a closer look at nature while on a guided walk.

Trail Walk and Talk

Leisurely explore various trails in Northeast Florida with a guided tour.

Wildflower Walk

Join a parks naturalist as we seek out seasonal wildflowers.

Discovery Walk

Join a parks naturalist for a leisurely walk highlighting our preserves.

Butterfly Garden

Check out what is blooming in the garden and the visiting insects.

Shorebird Basics at Huguenot Memorial Park

Learn about gulls, terns and various other shorebirds including outdoor identification with binoculars. Bring binoculars if you have them. **Note:** Huguenot programs may be cancelled due to temporary park closure.

Beach Walk and Talk at Huguenot Memorial Park

Set out on a guided tour of Huguenot Memorial Park and portions of the Great Florida Birding Trail. **Note:** Huguenot programs may be cancelled due to temporary park closure.
