Do you think we should continue to have tours?

YES	25	NO
-----	----	----

- To know what's happening in other communities
- Let's you get updates on what is going on around your neighborhood
- To familiarized us with community activities/progress/concerns
- Eyewitness! See for one self!
- Education about the different parts of Jacksonville and it brings together key members of the community to share ideas
- What we can do for the City of Jacksonville
- It keeps us (taxpayers) informed of our community
- Let's people see where their communities are located with the improvements now and in the future
- To see what improvements we have made from one year to the next
- More CDCs and a tour of city offices
- It is important to see the improvements as well as the decline, AWARENESS
- The tour provides a continuous picture/information about the neighborhoods that make up the NW CPAC

Worst of the Tour?

- Overlong stop
- Didn't care for this evaluation sheet. It requires too much attention. It would have been nice to tip the driver
- Not able to walk around
- Rest stop and some written background info
- Few rest stops, little area designations, passengers were lost during tour, personal opinions about citizen's lifestyles/way of life
- Nothing
- Long time on bus

What would you improve?

- Make the evaluation sheet less detailed
- Keep up the excellent work (2)
- More stops
- More photos
- Facilitators education/information about lifestyles way of life, culture
- To have water/soda or a lunch next time
- Shorter tour and no stops
- Nothing

What would you add to the next Tour?

- More participants
- Food and drinks
- Washington Heights Estates, they need to close this place down like they did Durkeeville and Blodgett
- Educational (3)
- More rest stops or inform the passengers of the rear restroom
- So we can see all the improvements
- So you can see what needs to be done
- Important to see and hear for one's self
- To see for one self, familiarize with community activities/program concerns
- Food at 12 to 1
- Same concept
- Snacks/drinks to prevent stopping for this purpose

Best of the Tour?

- Marilyn's presentation (2)
- Accomplishments, sharing the good and the bad (2)
- The bus and every speaker that educated us
- Meeting people
- Ribault and Timber Oaks
- Professionalism, cleanliness, history, town land markers, city ordinances etc.
- Magnolia Gardens and hearing from each residents and Rev. Wyche's information
- The seniors telling their community story
- Tour of homes, future homes, malls etc.
- NJCDCs Golfair Estates/Murray Hill, although I thought it was important to see the blighted areas too
- Everything
- Fellowship and information
