Staff Reports

JSO – Excused - there was a big ShAdCo/Neighborhood Watch meeting at the same time as the CPAC meeting. If you have questions please call the Sub Station at: Zone 5 call 384-8028 at 1024 Superior Street Zone 1 call 924-5361 at Gateway Shopping Mall Zone 4 call 573-3165 at Cedar Hills Shopping Center Police Non-Emergency 630-0500 Neighborhood Watch – 630-2160 First Coast Crime Stoppers – 1-866-845-TIPS (8477) to report a crime anonymously

Chairman Kelly asked members to think about issues to present to the Mayor for the next Mayor’s meeting with the CPAC Chairs.

Guest Speaker

State Attorney Angela Corey gave a presentation on her office and introduced Director of Circuit Court Mark Borello. Ms. Corey thanked everyone for their support and prayers to get her elected to the position of State Attorney. She will continue to fight for victims and their rights and not let the criminals take it away from them. Everyone has the right to live and die in peace and not be fearful to go to the grocery store. The office has 110 lawyers that work hard for the taxpayers. She is charged with upholding the United States and Florida Constitution and how it relates to the prosecution of crimes committed against citizens. She works with law enforcement while creating a safer community in which to work and raise families. Mr. Borello spoke on Ms. Corey and one word to describe the office is accountability. Everyone that works for Ms. Corey is expected to work for the community and do the job that they are paid to do. An example of this would be that there were 125 to 130 jury cases and last year there were 300. This year they expect even more. Members had questions on the following: Will their office be in the new courthouse. No they will be next door in the old federal building. In order to be cost effective in stead of tearing down the western façade the building needs a new roof and not a new exterior. With the police located on Forsyth Street they will have to bus the prisoners to the courthouse. Members also wanted to know about diversionary programs, felonies and misdemeanors, and programs to help people. They talked about sex offenders that were accused of consensual dating with persons under age. The office looks at this as a crime. They also talked about habitual offenders and drugs as well as Drug Court. Members thanked Ms. Corey and her office for the job they are doing. She thanked the Chair for inviting her and would love to come back once a year. Ms. Corey and Mr. Borello can be reached at 630-2400 or www.sao4th.com

Staff Reports

Mayor's Representative Devin Reed had no formal report but talked about the following:

- The City Council passed the budget with a lengthy discussion that went on to 3 a.m. Most City Officials and the non public safety sector will take a 2% decrease in pay and all city employees are going to start paying a portion of their health care insurance premiums. The millage rate will increase to 10.0353. It is revenue neutral which means the city will receive money from the tax base and the actual property tax value of the home may have gone down and when the assessments reflect that. Members wanted to know when the assessments will catch up to the property values that have decreased.
- The City is in process of making a transition from one Mayor to another. The first election will be held in March with a possible run off election since there are approximately 15 people running for Mayor. Members need to know the candidates and who the next person will be to run the City. Ask questions on who will be representing you, taxing you and spending money on projects.
- This CPAC wants to support job increases but the need to know what types of jobs that may be headed to Jacksonville is important so one can be prepared with the proper requirements to fill the positions.
- Central Operations is in litigation with a disparity study with the number of jobs that have been awarded. It should take 13 to 18 months to complete and then they will know what type of minority program the city will have to put in place.

The following questions were asked: AmeriCorps Volunteer Cheryl Williams from Grace and Truth CDD spoke about the need to correct flooding on North Crestwood Drive. What process is in place to address this with the stormwater fee? *Norwood neighborhood flooding continues and the new stormwater fees should relieve this. Please be sure to call concerns into CARE at 630-CITY so that issues may be addressed. At the 1100 block of Ardoon Street homeowners are not receiving garbage pickup when they pay taxes. They were told that since they live on a dirt road the city does not go on private roads.* Director of Central Operations and Mayor's Representative Devin Reed can be reached at 255-8639 or dreed@coj.net

Mayor's Office – Project New Ground – Madeline Skinner reported on the following:

- They are cleaning up in the 4 areas with 220 properties done to date.
- The Property Record Card discussion with owners that have been tagged will be removed in 3-weeks.
- They still need access agreements to be signed.

Members wanted to know what happens with the contaminated soil that is removed; it is taken to the Trail Ridge Landfill. Project New Ground can be reached at 630-CITY (2489) or 357-8077

FDOT - Milton Locklear reported on the following:

- Last month someone had asked if there was a project on 1-295 and Lem Turner – at this time there is nothing planned.
- Last month he reported on the *Tallulah Road Project that they were not going to remove trees but the contractor said that 3 or 4 trees will be taken down for utility issues.*
- *The retention pond at MLK and US 1 has an odor and algae and looks bad. Members want to know the standards on retention ponds whether they should be left open or enclosed with a fence and then what type of fencing to use.*

Members had numerous concerns on the FDOT Tallulah Road Project:

- Is it possible to stop having 16-wheel tractor trailers driving down 3 very narrow lanes with barricades? They are very close to the homes.
- There is a 30 mph speed limit but at Pearl and Tallulah the truckers continue to speed to try and make the light which is a safety issue.
- If they cannot re-route the truck traffic is it possible to have a weight limit on the road now and after construction?
- There are a lot of trucks carrying hazardous materials that are so close to the homes with the construction going on. Is it possible to re-route the trucks before and after construction?

Milton Locklear stated that this would be his last NW CPAC meeting since he was resigning from FDOT and would be working for the North East Florida TPO. He was not sure who would be replacing him. Chair Kelly presented a Certificate of Appreciation to Mr. Locklear for his hard work and commitment to the NW CPAC. Members also signed a card of well wishes for his new position.

Planning & Development – Planner Lurise Bannister did not have a new report for the month. The LUZ Subcommittee had no new items. The 4 Land Use Amendments from last month were approved. The PUD exception was deferred to Oct. 28, 2010. Members asked questions on the following: has the Planning Department done research on Amendment 4 and what is their position? They have had discussions with their Deputy and what it means. The community will have more involvement in land use changes. Residents rather than the Planning Department and City Council will vote on the land use changes. Vote No. Planner Bannister will send out information to members via Neighborhood Coordinator:

Please see below [Amendment # 4 Summary](#) for the minutes and will be discussed at the upcoming meeting after the vote.

[Referenda required for adoption and amendment of local government comprehensive land use plans](#)

[Sponsor/Originator:](#) Florida Hometown Democracy

[Official Summary:](#) Establishes that before a local government may adopt a new comprehensive land use plan, or amend a comprehensive land use plan, the proposed plan or amendment shall be subject to vote of the electors of the local government by referendum, following preparation by the local planning agency, consideration by the governing body and notice.

[What it would do:](#) Amendment 4 would give local voters a veto over any changes in comprehensive plans.

[Arguments for:](#) Local governments have proven themselves incapable of placing the public interest before the interests of real estate developers. The people should have the final say.

Arguments against: The amendment would require votes on every change, no matter how minor. Ballots would be long and involved. Voters would be overwhelmed. Growth would grind to a halt, and the state's economy would remain mired in recession

Members stated that if the residents were to vote on the changes it would take a long time and delay the process since it would be a large body of people trying to move something forward. Lurise Bannister can be reached at 255-7839 or lurise@coj.net

Municipal Code Compliance – Zone 5 Supervisor Danny Connell reported on the following:

- This month they did Systematic inspections in Grand Park, Normandy Village, Edgewood and New town. They started in Robinson's Addition and should be finished by Monday.
- They respond to complaints and they were responding in 3 days or less and now they are responding less than a day and are working very hard for the Northwest. If you have an issue please call him at 255-7000. They want to make a difference in the neighborhoods.

Members had questions on a parking lot at 6704 Van Gundy that is filled with pot holes. It was called into CARE but needs to be checked out. They also asked about problems in homeowner restricted communities and what could be done. The City does not enforce homeowner restrictions but does enforce the City Ordinance that they can see. Please be sure to call in problems to 630-CITY (2489). Property Safety can be reached at 255-7000 or psafety@coj.net

Recreation and Community Services – Daryl Joseph reported on the following:

- Winn Dixie presents JaxParks Movies in the Park - Friday, **October 22**, 2010 6:30 p.m. (movies starts at dusk) Carvill Park - 1302 Carvill Ave. Refreshment will be available. Movie: Karate Kid (the new one)
- The new Northwest Community Center on Soutel and Moncrief Road next to Lonnie Miller Park will be a state of the art community center. It will be 35,000 square foot facility with an indoor overhead walking fitness track, computer labs and meeting rooms. It will also be an evacuation center with some of the funding coming from the Federal Government. Currently the closest evacuation center is downtown at LaVilla School of the Arts. The anticipated opening is February 2011.

Daryl Joseph can be reached at 255- 7903 or djoseph@coj.net

HAND – Neighborhood Initiatives Team Neighborhood Coordinator, Marilyn Fenton-Harmer reported on the following: [Mayor Declares Oct. 18 as "Teal Monday"](#)

Mayor John Peyton has proclaimed Monday, Oct. 18, 2010 as "Teal Monday" and encourages everyone to join the pre-game festivities downtown before the Jacksonville Jaguars' Monday Night Football game against divisional rivals, the Tennessee Titans. To create a fun environment for all to enjoy, the Jaguars and others will host festivities at various locations throughout downtown. In addition to hosting an exciting football game that evening, the Jaguars will hold a special game-day experience for fans before kickoff. Similar to the festivities held last season for the Dec. 17, 2009 game against the Indianapolis Colts, the pregame events will combine the enthusiasm of a pep rally with interactive activities for the whole family. To encourage participation in the planned activities, select city-owned parking facilities will be free after 5 p.m. on Oct. 18 and will remain open until all customers have left. These facilities include: Courthouse West Lot, 300 Courthouse Dr., Water Street Garage, 541 Water St., Yates Garage, 200 E. Adams St. and Forsyth Lot at Main and Forsyth streets. For more information on the activities and specials, visit

<http://www.downtownjacksonville.org/newsroom/365/?ct=phb>. Those attending the game are encouraged to show their support for the team by wearing the color teal. Tickets to the game are still available and can be purchased by calling (904) 633-2000 or at www.jaguars.com

Housing and Neighborhoods Department: **City's Mortgage Financing Assistance Program Extended**

- The Jacksonville Housing Finance Authority (JHFA) has issued an additional \$20 million in Single Family Mortgage Revenue bonds. These proceeds will provide low interest mortgage financing and funding assistance for down payments or closing cost expenses to local families in need. In addition, the program has lowered the interest rate for a 30-year, fixed-rate mortgage to 3.99 percent and extended the program until Feb. 1, 2011 to allow qualified homebuyers more opportunities to participate. All other requirements and information can be found in the 2010 Single-Family New bond brochure at www.coj.net keyword search "single family programs". Homebuyers interested in this program should call 630-CITY (2489) to receive contact information for the participating lenders.
- Stay Home Program - If someone you know is worried about losing their home, call 255-8200 or 630-2489 and ask to register for a free **foreclosure prevention** program. To learn more, please visit the website at:

<http://www.coj.net/Departments/Housing+and+Neighborhoods/Stay+Home/Tools/default.htm>.

- The **Neighborhood Stabilization Program (NSP)** is a \$26 million initiative that utilizes HUD money to buy foreclosed houses. Developers purchase the homes, renovate them to strict standards including new Energy Star-rated appliances and the homes are sold to qualified homebuyers. Homes are available in the 32206, 32208, 32209, 32244 and 32254 zip codes. Twenty-eight homes have sold so far and there are currently 29 homes remaining to be sold that do not have potential homebuyers. Families and individuals with an adjusted family income of up to 120 percent of the area household median income are eligible to participate. A family of four can earn as much as \$78,000 and qualify for an NSP home. Buyers can own for as little as \$500 down and may qualify for purchase assistance. For more information about NSP go to www.nspjax.com or call (904)398-HOME (4663).

Administrative Lien Amnesty Program - Between Aug. 1 and Oct. 29, 2010, the Municipal Code Compliance Division will accept applications to cancel administrative fines assessed on properties by a Municipal Code Enforcement Special Magistrate or the Municipal Code Enforcement Board for failing to correct property or zoning code violations.

Chairperson Kelly's Report

- The Mayor will be meeting with the CPAC Chairs next Thursday and would like some input on what should be discussed: *Members want to know when the tax assessments on homes will catch up with the property values that have decreased. They want the city to find ways to attract new jobs to Jacksonville and the Northwest. That being said, how can the residents find out what type of training they will need to fill new positions? Members are concerned with foreclosures in the NW.*
- Chair Kelly also talked about the need for residents to know the mayoral candidates to make an informed decision when voting along with city council candidates and school board candidates.
- Chair Kelly stated that a traffic signal at Ribault Avenue and Soutel is still a great concern. He asked a member of the Timber Oaks Subdivision if they had formed a subcommittee to work on this. They wanted to know if they should start a petition. They also wanted to know the details of the traffic study. Chair Kelly suggested that should be a topic for the subcommittee.

Subcommittee Reports

- 2011 Nominating Committee reported that the Slate of Officers for 2011 are:
Chair: Leroy C. Kelly and Vice Chair: Gertrude Peele
Elections will be at the November 4, 2010 meeting.
- Hospitality – Chair Kelly asked Member Burgess to discuss the sign up sheet for refreshments for the November 4, 2010 meeting. Members were all asked to bring an item to the last meeting for refreshments which was done last year.

Chair Kelly thanked members and appreciated their time and support.

Announcements

- Grace and Truth AmeriCorps Volunteer Cheryl Williams stated that the Jacksonville Symphony will be back in December and they are planning to do an African American Nutcracker.
- On December 6 Grace and Truth CDC will hold an Empowerment Fair with Ask-A-Lawyer at Gateway Mall from 9 a.m. to noon.
- Member Wyche announced that if you are in foreclosure the State of Florida has money available if you qualify.
- There is a construction project going on at Van Gundy and Winton Drive and neighbors would like more communication to see what the project is all about.

Public Comments - none

Motion to Adjourn

A Motion to adjourn was made by Member Burgess and a second by Member Wyche.
The Vote: All were in favor, none opposed. The meeting was adjourned at 7:29 p.m.

Week Change due to Veterans Day

The last meeting for 2010 will be **Thursday, November 4, 2010**
6 p.m. at the Bradham*Brooks NW Library Auditorium, 1755 Edgewood Ave. West
