(5)(a). “Property owned by an exempt organization qualified as charitable under s. 501(c)(3) of the Internal Revenue Code is used for a charitable purpose if the organization has taken affirmative steps to prepare the property to provide affordable housing to persons or families that meet the extremely-low-income, very-low-income, low-income, or moderate-income limits, as specified in s. 420.0004. The term “affirmative steps” means environmental or land use permitting activities, creation of architectural plans or schematic drawings, land clearing or site preparation, construction or renovation activities, or other similar activities that demonstrate a commitment of the property to providing affordable housing.”

(5)(b)1. “If property owned by an organization granted an exemption under this subsection is transferred for a purpose other than directly providing affordable homeownership or rental housing to persons or families who meet the extremely-low income, very-low-income, low-income, or moderate-income limits, as specified in s. 420.0004, or is not in actual use to provide such affordable housing within 5 years after the date the organization is granted the exemption, the property appraiser making such determination shall serve upon the organization that illegally or improperly received the exemption a notice of intent to record in the public records of the county a notice of tax lien against any property owned by that organization in the county, and such property shall be identified in the notice of tax lien. The organization owning such property is subject to the taxes otherwise due and owing as a result of the failure to use the property to provide affordable housing plus 15 percent interest per annum and a penalty of 50 percent of the taxes owed.”

(5)(b)2. “Such lien, when filed, attaches to any property identified in the notice of tax lien owned by the organization that illegally or improperly received the exemption. If such organization no longer owns property in the county but owns property in any other county in the state, the property appraiser shall record in each such other county a notice of tax lien identifying the property owned by such organization in such county which shall become a lien against the identified property. Before any such lien may be filed, the organization so notified must be given 30 days to pay the taxes, penalties, and interest.”

All property identified in this section must comply with the criteria provided under s. 196.195 for determining exempt status and applied by property appraisers on an annual basis. The Legislature intends that any property owned by a limited liability company which is disregarded as an entity for federal income tax purposes pursuant to Treasury Regulation 301.7701-3(b)(1)(ii) be treated as owned by its sole member.

The following describes details of the affirmative steps that have been taken as of January 1, 2019 to prepare this property to provide affordable housing to persons or families that meet the extremely-low-income, very-low-income, low-income or moderate-income limits.
