WHEREAS, said State Contract is in full force and effect until June 30, 2015, and has been competitively procured and awarded by the State of Florida as contracting authority according to law; and

WHEREAS, the Jacksonville Procurement Code, more particularly Section 126.211, *Ordinance Code*, authorizes and allows City to use *inter alia* contracts of other governmental entities, including those of the State of Florida, which have been competitively procured and awarded; and

WHEREAS, the State Contract is broad enough to allow City to purchase one (1) T550 T4 Bobcat Compact Tract Loader with attachments (hereinafter the "Equipment@) and Contractor has agreed to allow City to use the State Contract; and

WHEREAS, it is in the best interests of the parties to use the State Contract for purchase of the Equipment and to add those contractual provisions City is required to use by ordinance or policy; now therefore

IN CONSIDERATION of the premises and of the mutual covenants and agreements hereinafter contained, and for other good and valuable consideration the parties agree as follows:

ARTICLE 1: Incorporation of Recitals

The above-stated recitals are accurate, true, and correct and are made a part hereof and are incorporated herein by this reference.

ARTICLE 7: Laws, Ordinances, Rules, and Regulations

As required by Section 126.108(b), *Ordinance Code*, in the sale of the Equipment, Contractor must comply with any and all applicable federal, state, and local laws, rules, regulations, and ordinances, as the same exist and may be amended from time to time. Such laws, rules, regulations, and ordinances shall include, but are not limited to, Chapter 119, Florida Statutes (the Florida Public Records Law), and Section 286.011, Florida Statutes (the Florida Sunshine Law), as they apply to the purchases contemplated in this Agreement. If any of the obligations of this Agreement are to be performed by a subcontractor, the provisions of this Article 7 shall be incorporated into and become a part of the subcontract.

ARTICLE 8: Conflict of Interest

The parties will follow the provisions of Section 126.112, *Ordinance Code*, with respect to required disclosures by public officials who have or acquire a financial interest in a bid or contract with City, to the extent the parties are aware of the same.

ARTICLE 9: Confidentiality

Subject to applicable Florida law, all confidential or proprietary information and documentation relating to either party (including, without limitation, any information or data stored within Contractor's computer systems) shall be held in absolute confidence by the other party. Each party shall, however, be permitted to disclose relevant confidential information to its officers, agents, and employees to the extent that such disclosure is necessary for the performance of their duties under this Agreement, provided the data may

be collected, used, disclosed, stored, and disseminated only as provided by and consistent with Florida law. The provisions of this article shall not apply to any information that (a) is lawfully in the public domain, (b) has been independently developed by the other party without violation of this Agreement, (c) was already in the possession of such party, (d) was supplied to such party by a third party lawfully in possession thereof and legally permitted to disclose the information, or (e) such party is required by law to disclose.

ARTICLE 10: Prompt Payment

As required by Chapter 126, Part 6, *Ordinance Code*; provided however, if Contractor does not use JSEB or MBE subcontractors, as identified below, this Article 10 shall not apply:

10.1 *Generally*. When Contractor receives payment from City for labor, services, or materials furnished by subconsultants or subcontractors and suppliers hired by Contractor, Contractor shall remit payment due (less proper retainage) to those subconsultants, subcontractors, and suppliers within fifteen (15) calendar days after Contractor=s receipt of payment from City. Nothing herein shall prohibit Contractor from disputing, pursuant to the terms hereof, all or any portion of a payment alleged to be due to its subconsultants, subcontractors, and suppliers. In the event of such dispute, Contractor may dispute the disputed portion of any such payment only after Contractor has provided notice to City and to the subconsultant, subcontractor, and supplier whose payment is in dispute, which notice shall: (i) be in writing; (ii) state the amount in dispute; (iii) specifically describe the actions required to cure the dispute; and, (iv) be delivered to City and said subconsultant, subcontractor, or supplier within ten (10) calendar days after Contractor=s receipt of payment from City. Contractor shall pay all undisputed amounts due within the time limits imposed by this article.

10.2. *Jacksonville Small Emerging Business Enterprise (AJSEB@) and Minority Business Enterprise (AMBE@) Participation*. Notwithstanding Chapter 126, Part 6, *Ordinance Code*, Contractor shall pay all contracts awarded with certified JSEB=s and MBE=s, as defined therein, their pro rata share of their earned portion of the progress payments made by City under this Agreement within seven (7) business days after Contractor=s receipt of payment from City (less proper retainage). The pro rata share shall be based on all work completed, materials and equipment furnished, or services performed by the certified JSEB or MBE at the time of payment. As a condition precedent to progress and final payments to Contractor, Contractor shall provide to City with its requisition for payment, documentation that sufficiently demonstrates that Contractor has made proper payments to its certified JSEB=s or MBE=s from all prior payments Contractor has received from City. Contractor shall not unreasonably withhold payments to certified JSEB=s and MBE=s if such payments have been made to Contractor. If Contractor withholds payment to its certified JSEB=s or MBE=s, which payment has been made by City to Contractor, Contractor shall return said payment to City. Contractor shall provide notice to City and to the certified JSEB=s or MBE=s whose payment is in dispute, which notice

shall: (i) be in writing; (ii) state the amount in dispute; (iii) specifically describe the actions required to cure the dispute; and, (iv) be delivered to City and said JSEB=s or MBE=s within five (5) calendar days after Contractor=s receipt of payment from City. Contractor shall pay all undisputed amounts due within the time limits imposed in this Article 10. The failure to pay undisputed amounts to the JSEB=s or MBE=s within seven (7) business days shall be a breach of this Agreement, compensable by one per-cent (1%) of the outstanding invoice being withheld by City, not as a penalty but as liquidated damages to compensate for the additional contract administration by City.

10.3. *Third Party Liability.* The Prompt Payment requirements hereunder shall in no way create any contractual relationship or obligation between City and any subconsultant, subcontractor, supplier, JSEB, MBE, or any third party or create any City liability for Contractor=s failure to make timely payments hereunder. However, Contractor=s failure to comply with the Prompt Payment requirements shall constitute a material breach of Contractor=s contractual obligations to City. As a result of said breach, City, without waiving any other available remedy it may have against Contractor, may (i) issue joint checks and (ii) charge Contractor a 0.2% daily late payment interest charge or the charges specified in said Chapter 126, *Ordinance Code*, for JSEB=s or MBE=s and in Chapter 218, Florida Statutes, for non-JSEB=s or non-MBE=s, whichever is greater.

ARTICLE 11: Limitations of Liability

Neither City nor Contractor shall be liable for any speculative or unforeseeable damages under any theory of relief, including without limitation breach of warranty, breach of contract, tort (including negligence), and strict liability, or otherwise arising out of or related to City=s or Contractor=s acts or omissions. For all other damages arising out of or related to this Agreement, Contractor will not be liable for more than 200% of the amount equivalent to the fees paid and payable by City to Contractor under this Agreement. The foregoing limitations of liability do not apply to (i) injury to third parties and third party property, (ii) claims arising under any of the indemnity or warranty provisions of this Agreement, or, (iii) claims covered by any insurance policies or bonds required under this Agreement up to the amount of the required coverage. These limitations of liability are in no way to be construed as a waiver or limitation by City of its sovereign immunity accorded by the Florida Constitution as codified in § 768.28, Florida Statutes.

ARTICLE 12: Nondiscrimination

As required by Section 126.404, *Ordinance Code*, Contractor represents that it has adopted and will maintain a policy of nondiscrimination against employees or applicants for employment on account of race, religion, sex, color, national origin, age, or handicap in all areas of employment relations throughout the term of this Agreement. Contractor agrees that on written request, it will permit reasonable access to its records of

employment, employment advertisement, application forms, and other pertinent data and records by the Executive Director of the Community Relations Commission or successor agency or commission for the purpose of investigation to ascertain compliance with the nondiscrimination provisions of this Agreement; provided however, that the Contractor shall not be required to produce for inspection records covering periods of time more than one (1) year prior to the day and year first above written. Contractor agrees that if any of the Services to be provided pursuant to this Agreement are to be performed by a subcontractor, the provisions of this Article 12 shall be incorporated into and become a part of the subcontract.

ARTICLE 13: Governing Law/Venue

This Agreement is governed by the laws of the State of Florida and the ordinances of the City of Jacksonville. Venue for any action arising under this Agreement shall lie exclusively in the appropriate state court in Duval County, Florida.

ARTICLE 14: Counterparts:

The parties agree that for the execution of this Agreement, time is of the essence. Therefore, this Agreement and all amendments thereto may be executed in several counterparts, each of which shall be deemed an original, and all of such counterparts together shall constitute one and the same instrument. The parties further agree that facsimile ("fax") transmission of all signatures with originals to follow shall constitute and be evidence of an executed Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year first above written.

Hey David,

I've attached 4 quotes for items we'd like Fleet to purchase for us. Our funds will be coming over via TD in August. I thought, if possible, the process could be started and then when the funds catch up, it may not be as precarious as it was last year, last minute trying to encumber the funds.

The items are:

From Bobcat:
T550 T4 Bobcat Compact Track Loader \$43,555.99
66" Brushcat (HF) \$4,338.60
66" Ind. Fork Grapple (w/7 Tines) \$2,770.60
Total from Bobcat: \$50,665.19

From Big Tex Trailer World, Inc., dba All Pro Trailers:
Trailer (part #123NS - 14et-20) \$3,999.00

Total TD \$54,664.19

Fleet is an internal service fund. Funds outside of the general fund do not have to worry about their unspent funds "lapsing" at the end of the fiscal year. Once the money is TD'd, barring any unforeseen complications, fleet would simply need to encumber the money before mid September. Still have some time.

Hey Fay,

I submitted the Tree TD yesterday, as of right now it is scheduled to appear at the MBRC this coming Monday. You had mentioned that you wanted to process a TD transferring some money to fleet to buy a trailer. Do you have a quote for the trailer purchase? I will need it as backup for the TD I am putting together. Thanks!

Hey David,

I've attached 4 quotes for items we'd like Fleet to purchase for us. Our funds will be coming over via TD in August. I thought, if possible, the process could be started and then when the funds catch up, it may not be as precarious as it was last year, last minute trying to encumber the funds.

The items are:

From Bobcat:
T550 T4 Bobcat Compact Track Loader \$43,555.99
66" Brushcat (HF) \$4,338.60
66" Ind. Fork Grapple (w/7 Tines) \$2,770.60
Total from Bobcat: \$50,665.19

From Big Tex Trailer World, Inc., dba All Pro Trailers:
Trailer (part #123NS - 14et-20) \$3,999.00

Total TD \$54,664.19

Fleet is an internal service fund. Funds outside of the general fund do not have to worry about their unspent funds "lapsing" at the end of the fiscal year. Once the money is TD'd, barring any unforeseen complications, fleet would simply need to encumber the money before mid September. Still have some time.

Ok. This will now have to be a paper TD to appear before MBRC at their meeting in August, we missed the deadline for the 7/21 MBRC meeting.

Hey Fay,

I submitted the Tree TD yesterday, as of right now it is scheduled to appear at the MBRC this coming Monday. You had mentioned that you wanted to process a TD transferring some money to fleet to buy a trailer. Do you have a quote for the trailer purchase? I will need it as backup for the TD I am putting together. Thanks!
