the 26.6 percent to 10 percent. Mr. Brinkley encouraged everyone to visit Republic Services website, RecyclingSimplified.com to learn more about recycling. Mr. Brinkley offered these recycling tips: don't leave the lids or tops on cans, bottles and plastic jugs if they are wet; don't bag your recyclables they get caught in the single stream recycling systems; soiled paper is considered greasy or wet paper; don't recycle motor oil containers, aerosol cans, or propane tanks. Mr. Brinkley advised Republic will take shredded paper but without the plastic bag. Mr. Brinkley announced that the new schedule will be available by the end of the month and will be color coded like last years schedule.

Mr. Brinkley may be contacted at bbrinkley@republicservices.com.

- 5. Elected Officials:** The Chair welcomed and thanked the elected officials for attending the meeting
- Reggie Gaffney, City Council Member District 7, announced that he has been working with small businesses to insure they are established and able to take part in the \$45 billion dollar that will to be invested in Jacksonville, in the next five to 10 years. He also announced that thanks to the commitment of the current administration Mayor Curry, and Sam Mousa, and chief of staff Brian Huff. The City was able to hire 22 young men on the spot. Councilmember Gaffney announced that the Task Force on Safety and Crime Reduction was approved on January 8, 2019 and will assist in the efforts to reduce crime. Council Member Gaffney reviewed several projects with CPAC members, such as the widening of Hard Road Bridge and improving sidewalks. Council Member Gaffney asked that if there is a need or problem in the community, to please call him. Council Member Reggie Gaffney may be contacted at (904) 630-1384 or rgaffney@coj.net
 - Samuel Newby, City Council Member at Large District 5, announced that an extra \$1 million dollars was added to the public safety and crime prevention program with the help of Council Members Gaffney and Ju'Coby Pittman. Council Member Newby announced as part of the quality of life program, they received an extra \$1.8 million dollars to be allocated to parks and maintenance and \$712,000 for affordable housing and home assistance. Council Member Newby also announced that the Urban Rest Stop, located on the main campus of the Sulzbacher Center, has opened. It is a place where the homeless have access to hot showers, meals and are able to wash their clothes and have a library. Council Member Newby also announced that an additional \$3 million was allocated to bring grocery stores to areas that are considered food deserts, and an additional \$15 million from JEA for septic tanks. Council Member Samuel Newby may be contacted at (904) 630-1387 or SNewby@coj.net
 - Ju'Coby Pittman, City Council Member District 8, announced that she is getting out and listening to her constituents, youth, businesses and churches, in order to find out what Jacksonville needs. Council Member Pittman announced she will be hosting a town hall meeting on Thursday, January 17, 2019 beginning at 5 p.m. at the A. Philip Randolph Career Academy, 1157 Golfair Blvd. Council Member Pittman said she would like to start an initiative to have ambassadors in the various neighborhoods in District 8, charged with reporting issues to her so they can be resolved in a timely manner. Council Member Pittman has handled 400 C.A.R.E issues that have occurred while in office. Councilmember Pittman would like to have a Saturday Town Hall meeting twice a month for those who are not able to make meetings during the week. Elaine Lancaster may be contacted at (904) 255-7007 or elainel@coj.net

- **Duval County Public School (DCPS)** – Darryl Willie, School Board member, District 4, introduced himself to CPAC members. Mr. Willie announced that Duval County Public Schools is working on a few big things, such as safety, resources and getting the budget in order. CPAC Vice Chair Teresa Moore asked what is going to be done about the overcrowding of New Berlin Elementary and changing the way overcrowding is calculated in the Duval County School System. He said that several methods are used to calculate overcrowding of schools. Mr. Willie said that Duval County Public Schools (DCPS) needs to figure out how to build more schools, but that is hard to do without funding. Mr. Willie also said that if DCPS creates programs in other areas based on the choice model, it would alleviate some of the crowding.
Darryl Willie may be contacted at 904-390-2347 or willied@duvalschools.org
- **Parks, Recreation and Community Development** – Keith Meyerl, Chief, DC Recreation and Community Programming, announced that construction is under way for the Jim King Boat Ramp project. They will be moving the docks water ward off of the bank. Phase 1 of the Palm Fish Camp dock improvements will beginning January 21, 2019. The boat ramp will be closed during construction. A new beach road is currently under construction for Huguenot Park. The road will go through the middle of the park and will be the new main access road for the park. Additional camp sites that will be accessible by the new road will be added and the old roads that were closer to the shore will become a pedestrian and bike path. The San Mateo Little League drainage project is currently going out to bid and is expected to start sometime during the summer. The Joe Carlucci project is currently out to bid. The boat ramp has been closed since Hurricane Irma. They will be expanding the docks. The project is estimated to be completed in six months. Jim Mazur asked if Half Moon Island is going to receive a boat ramp. Mr. Meyerl answered that it is still in the works. Mr. Mazur asked if Parks and Recreation request for repairs were primarily through 630-City. Mr. Meyerl affirmed that the main way Parks, Recreation and Community Development find out about needed repairs. Is through 630-CITY. The maintenance supervisors check the 630-City report daily. Brian Ragin informed Mr. Meyerl that some of the dock cleats have not been repaired on the fishing dock at Burt Maxwell. Mr. Meyerl said he will speak with the supervisor of that project to address the broken cleats. Mr. Ragin also advised that it is impossible to get out during low tide at the Burt Maxwell boating dock. Mr. Meyerl said he will bring it up to the Chief of waterfronts.
Keith Meyerl may be contacted at (904) 255-7936 or kmeyerl@coj.net
- **Subcommittee/Liaison Reports**
 - **Governmental Affairs and Planning & Development**–Teresa Moore and Samuel Walker, City Planner I
The Governmental Affairs Committee made the following motions:
 - Old Business**
 - **2018-0668: Deferred** - A town hall meeting will be scheduled to solicit input from the community. The notice will be provided once the meeting is scheduled.
 - **2018-0761: Deferred** - Councilmember Al Ferraro ordered the developers of this application to hold another community meeting to insure all interested parties have an opportunity to meet with the developers and voice their concerns or opinions.
 - New Business**
 - **E-18-98 - Exception: 0 Lem Turner Road, between Pace Road and Terrell Road** – This application seeks to allow the establishment of a yard waste mulching/recycling station on property owned by the Jacksonville Aviation Authority. Tommy Ruffin made a motion not to oppose this exception with the following conditions: 1) Relocated the facility as far as possible from residential units. 2) Consider installing a soundproof barrier. 3) Establish firm hours of operation

that are resident friendly. The motion was seconded by Dot Mathis. CPAC members unanimously approved.

- **2018-0863 – Planned Unit Development (PUD): 0 Newcomb Road, east of the Flamingo Lake RV Park** – This application will change an existing industrial PUD to add a solar farm as an allowed use on the property with access via Newcomb Road from Lem Turner Road. Tommy Ruffin made a motion to approve with comment. The description of the visual screening is vague as the developer could put up any type of material that is at least 6 feet high with 85 percent opacity to satisfy criteria. CPAC would like a more definitive specification provided regarding the visual screening (fence). Reverend Joseph Tate seconded the motion. CPAC members unanimously approved.
- **2019-0003 – Conventional Rezoning: 0 Dunn Creek Road, just north of New Berlin Road** – This rezoning proposes a commercial development near the intersection of Dunn Creek and New Berlin Roads on a 6 acre undeveloped parcel. Dot Mathis made a motion to oppose this bill. Tommy Ruffin seconded. The CPAC feels commercial development of this parcel would encroach into the existing residential community. Also, infrastructure around the location is substandard. CPAC members unanimously approved.

Samuel Walker, City Planner I, may be contacted at (904) 255-7823 or Walkers@coj.net
