ORDINANCE CODE City of JACKSONVILLE, FLORIDA

TITLE II LEGISLATIVE BRANCH

Chapter 15 – JACKSONVILLE SUNSHINE LAW COMPLIANCE ACT

Sec. 15.101. - Statement of purpose.

The purpose of the Jacksonville Sunshine Law Compliance Act is to ensure compliance with the Sunshine Law, F.S. Ch. 286, and to create procedures, methods, best practices and education that will enhance compliance with open meeting laws, and enhance and maintain public confidence and transparency in the legislative practices of the City Council.

(Ord. 2007-733-E, § 1)

Sec. 15.102. - Applicability; Public Meeting defined.

The Jacksonville Sunshine Law Compliance Act shall apply to the Jacksonville City Council and those public meetings of the Council that are contemplated by F.S. Ch. 286, including meetings of the Council and Council committees, and meetings between and amongst Council Members. These meetings shall hereinafter be identified in this Chapter as "Council Public Meetings." Since other agencies are already obligated to comply with Florida's Sunshine Law, F.S. Ch. 286, even if Council Members serve thereon or attend, the Jacksonville Sunshine Law Compliance Act shall not be applicable to the noticed meetings of the various other commissions and agencies established by law, ordinance or executive order.

(Ord. 2007-733-E, § 1; Ord. 2010-135-E, § 1)

Sec. 15.103. - Notice of Council Public Meetings; posting and timing.

(a)

All council public meetings shall be publicly noticed in a timely manner. The notices required shall include at a minimum (i) the date and time of the meeting noticed, (ii) the date and time the notices are posted, (iii) the location of the meeting, and (iv) the general subject matter of the meeting, and (v) the Council Member calling the meeting and any other Council Members who, at the time of notice, are expected to be in attendance.

(b)

Council Public Meeting notices shall be provided on the Council's internet website, which utilizes modern technology and provides swift public notice to all of Jacksonville. In addition to the internet, posting of notices shall be made at such locations at City Hall where public meetings are generally noticed, and by such other methods as may be appropriate or required by particular circumstances.

(c)

Notice of Council Public Meetings shall be posted for at least 24 hours prior to the meeting, not including weekends and holidays.

(d)

Notwithstanding subsection (c) above, notice of Council Public Meetings may be posted for a period of less than 24 hours, only in the event of an emergency, and when approved in writing by the Council President and the City's Ethics Officer.

(e)

A copy of the notices of all Council Public Meetings shall be provided to and maintained in a retrievable format and filing system developed by the Legislative Services Division.

(f)

The Director/Council Secretary shall develop and implement standardized policy and procedures for City Council sunshine meeting notices and uniform calendaring practices.

(Ord. 2007-733-E, § 1; Ord. 2008-329-E, § 1)

Sec. 15.104. - Public Meetings location.

(a)

All Council Public Meetings shall be conducted in such places as will assure open, reasonable, and convenient access to the public.

(b)

The locations for Council Public Meetings include the Council Chambers and public conference, meeting, or committee rooms. Public meetings shall not be held in the individual offices of Council Members, except in the event of exigent circumstances.

(c)

Public locations shall be used for all Council Public Meetings, unless other locations are approved in writing. A request therefore shall be made in one written submission to both the City Ethics Officer and the Office of General Counsel Ethics Liaison, with a copy thereof delivered to the Council President. Written approval shall be required from either the City Ethics Officer or the Office of General Counsel Ethics Liaison, with a copy thereof provided to the Council President and to the other approving authority.

(Ord. 2007-733-E, § 1; Ord. 2010-135-E, § 1)

Sec. 15.105. - Public Meeting; commencement and adjournment.

The business and conversations conducted during a noticed Council Public Meeting shall commence upon the chair's or Council Member's opening of the meeting, and shall conclude upon adjournment. The mere fact that a meeting has been noticed, does not authorize action or discussions prior to the opening of the meeting or following its adjournment.

(Ord. 2007-733-E, § 1)

Sec. 15.106. - Public Meetings minutes.

(a)

Each Council member is responsible for the taking and preparation (or delegation thereof) of the minutes of each Council Public Meeting noticed by that Council Member, in a manner as required by F.S. Ch. 286, and subsection (c) below.

(b)

The Director/Council Secretary shall be responsible for developing and implementing procedures for assuring:

(1)

Minutes are written for all noticed Council Public Meetings;

(2)

Minutes are filed; and

(3)

A system for the maintenance and retrieval of minutes is developed for all minutes of Council Public Meetings.

(c)

The minutes of every Council Public Meeting conducted between two or more Council Members outside of the regular Council meeting or committee meeting structure shall reflect, at a minimum:

(1)

(3)

The substance of the discussions and positions presented by the persons in attendance.

(d)

A copy of the minutes of all noticed Council Public Meetings shall be kept, with the notice to such meetings, by the Legislative Services Division. The Legislative Services Division shall develop such systems and policies as are necessary for the orderly filing, maintaining and retrieval of minutes.

(e)

No less than once every 30 days, the Legislative Services Division shall review notices of all Council Public Meetings to ensure that copies of the minutes of all applicable public meetings have been placed on file in the Legislative Services Division.

(Ord. 2007-733-E, § 1; Ord. 2010-135-E, § 1)

Sec. 15.107. - Annual review and report on council notices, meeting locations and minutes.

(a)

The Council Auditor shall review information provided by the Legislative Services Division regarding:

(1) The notices of Council Public Meetings;

(2) The location of such public meetings; and

(3) Written minutes of such public meetings, and prepare an annual report thereon.

The Auditor shall file such report with the Council committee to which audit matters are referred, the Council President, the City Ethics Officer, and the Ethics Commission, who may comment thereon.

(b)

The report, as required by subsection (a) above, shall include confirmation, through methods and means developed by the Council Auditor, that:

(1)

Notices were public and timely, and not less than 24 hours exclusive of weekends and holidays, and accessible to the public by internet;

(2)

That meetings were located in appropriate public rooms, with a list of all meetings held in Council Members' offices;

(3)

That minutes were written, maintained in the filing system, and available for retrieval; and

(4)

and shall provide recommendations, as appropriate to improve compliance, as authorized by Section 15.109 below. The report shall be based upon a review of that information collected and provided by the Council Secretary/designee, and any other information that is known to the Council Auditor.

(c)

The Council Auditor's review shall commence annually on May 1st, 60 days prior to installation of a new Council President, and the report shall be provided no later than June 1. The Council Auditor's review shall be based upon complete data for the first year of each term, but may be based upon statistically significant samples in any other year if the previous year's success rate has been at least 95 percent.

(Ord. 2007-733-E, § 1; Ord. 2010-135-E, § 1)

SECONDARY EMPLOYMENT POLICY STATEMENT

An employee must not engage in private employment or contract work outside the service of the City of Jacksonville that could reasonably be expected to impair independence in judgment or performance of city duties.

Employment with the City of Jacksonville carries with it an obligation to act in the public interest. Accordingly, employees must abide by the standards provided in the Ethics Code, obey the law and consider the spirit of the law.

An employee must not engage in secondary employment outside the services of the city if prohibited from doing so by the Chief of Human Resources or the appointing authority or until such time as the employee has agreed in writing to any of the terms and conditions placed on the employment by the Chief of Human Resources or appointing authority.

DEFINITIONS

Secondary employment - refers to a second job held by a full-time city of Jacksonville employee. This secondary employment includes contract, self-employment and part time work as well as any employment for another person or organization for any period of time while employed by the City of Jacksonville.

Secondary employment includes:

- operating a business.
- providing paid consultancy services to another person or organization.
- partnerships and directorships of companies; (Note: any position that involves being engaged in the business of the company in an employee's spare time).
- paid work outside; and/or,
- voluntary employment in return for a benefit.
- employment undertaken while on approved leave (either paid or unpaid).
- employment that generates any taxable income on a W-2 form or a 1099 form, and work that an employee is doing that is not currently generating income (example: a business the employee is "getting off the ground" or one in which the employee's spouse is receiving the salary and the employee is not generating income.) Any outside work is covered.

If in doubt, declare it or discuss it with the Department Ethics Officer (DEO – Laura Dyer).

Conflict of interest - exists when the outside employment could reasonably be expected to impair independence in judgment or performance of a city employee's duties. Some examples of conflicts occur when:

- the company the employee works for has any business dealings with the City of Jacksonville.
- secondary employment is undertaken during the same hours that an employee is being paid as a city employee, if not on approved leave.
