MAYOR'S PROPOSED FY 2013/14 BUDGET
MILITARY AFFAIRS, VETERANS AND DISABLED SERVICES
GENERAL FUND (S/F 011)**

**PROPOSED BUDGET BOOK – Page# 183 -185
ON SCREEN – Page# 197 - 199**

BACKGROUND:

The Military Affairs, Veterans and Disabled Services Department was formed through the FY 2011/12 city reorganization bill (2011-732-E). Previously, it was a division within the Recreation and Community Services Department.

REVENUE:

Miscellaneous Revenue

- The \$800 revenue is expected from the sale of a software program that manages client appointments and information. This program is sold directly to county veteran services offices throughout the state.

EXPENDITURES:

1. Salaries:

- The net increase of \$121,838 is primarily due to the addition of two positions.

2. Salary & Benefit Lapse:

- The salary and benefit lapse from FY 2012/13 has been removed.

3. Employer Provided Benefits:

- The increase of \$64,561 is primarily a result of the increase of \$55,163 in pension contributions, and \$7,490 in group hospitalization insurance.

4. Internal Service Charges:

- The net increase of \$1,558 is primarily due to an increase in the copy center and mailroom charges of \$2,298, these changes were slightly offset by a decrease of \$822 in ITD charges.

5. Utilities & Building Maintenance Allocations:

The Administration is proposing to remove and replace two Public Works allocations with internal service charges for Building Maintenance and Utilities. These proposed internal service charges are intended to reflect the costs for utility consumption, applicable debt service, and building maintenance in the individual City Departments' budgets.

6. Other Operating Expenses:

- The increase of \$2,402 is primarily due to an increase of \$2,970 in travel expense, \$1,158 in general liability insurance, and \$1,027 in dues, subscriptions, and memberships. These increases are slightly offset by reductions of \$2,750 in food, and \$1,464 in repairs and maintenance.

 MILITARY AFFAIRS, VETERANS AND DISABLED SERVICES
 GENERAL FUND (S/F 011)**

**PROPOSED BUDGET BOOK – Page# 183 -185
 ON SCREEN – Page# 197 - 199**

7. Grants, Aids and Contributions:

- These funds will be used to award property-related tax discounts to families of qualified military personnel who served in Iraq and Afghanistan. The \$15,286 reduction for other grants and aids is attributable to the reduced number of requests for tax discounts by qualified personnel.

8. Extraordinary Lapse:

- The extraordinary lapse from FY 2012/13 has been removed.

FOOD AND BEVERAGE EXPENDITURES:

011	MVOD011	750	Bottled Water-Memorial Day and Purple Heart events.	Serves approximately 2000 attendees
011	MVOD011	1,200	Quarterly Meeting with Base Commanding Officers.	Serves approximately 20 attendees each

SERVICE LEVEL CHANGES:

Two position eliminations have been proposed for FY 2013/14: an Executive Secretary and a Veterans Services Officer Supervisor. Per the department, these cuts will reduce capacity to service incoming clients, increase wait times for clients in person and on the phone, decrease the department's ability to provide requests for information or assistance and resolution of those requests, and increase the potential for client frustration or dissatisfaction.

Contrary to the department, given the net increase of two (2) FTE's already, the department should be able to provide services at a level exceeding that of the prior year.

EMPLOYEE CAP CHANGES:

The Employee Cap has increased by two (2) positions: three (3) were added during the year, one (1) is proposed to be added and two (2) are proposed to be eliminated.

RECOMMENDATIONS:

None.

MAYOR'S PROPOSED FY 2013/14 BUDGET
FLORIDA INLAND NAVIGATION DISTRICT GRANTS (S/F 331)**

**PROPOSED BUDGET BOOK – Page #21-22
ON SCREEN – Page #29-30**

RECOMMENDATIONS:

1. Split the project “Lighting at Boat Ramps” funding between the Sisters Creek Marina and Intracoastal Waterway boat ramps at \$145,860 and \$142,000, respectively. This will have no impact on Special Council Contingency.
2. The Budget Office requests the appropriation for the Exchange Island project be increased by \$35,760 to include a grant increase of \$16,380 and a City match of \$19,380 coming from additional interest earnings. This will have no impact on Special Council Contingency.
3. Correct Project names and numbers for consistency in accounting and reflect appropriately on Schedule B1b.

CONCERN:

These appropriations create a new park (Half Moon Island Park) and new park amenities at various parks that will require additional maintenance; however, park maintenance is being cut in the proposed budget.

COMMENTS:

Budget Ordinance 20011-405-E removed \$76,500,000 from the Banking Fund B4 Schedule for the funding of the Courthouse due to this project being separate from the banking fund operations. The proposed budget removes \$48,000,000 previously approved for the Courthouse that has also been included in the Banking Fund B4 Schedule.

RECOMMENDATIONS:

1. Attach Revised Schedule B4 to properly reflect the Prior All Years Budget.
2. Attach Revised Schedule B4b to reflect correct project names and numbers.
3. Allow the Council Auditor's Office and the Office of General Counsel in coordination with the Budget Office to make any necessary changes to Schedule B4, B4a, B4b, and B4c to reflect the actions of the Finance Committee.
4. A waiver of Section 110.503, Ordinance Code, to allow Banking Fund dollars to be used on projects with a per unit value of less than \$50,000 is required for the transfer of funds from the project "Gateway Offices for SOE" to purchase the Electronic Voter Identification (EViD) machines for the Supervisor of Elections. (The transfer of project funding will require Bond Counsel approval.)
