FY 06	403,813

- State Management Plan practices were phased in in FY2008.
- Fee increase was implemented in FY2008.
- Nor'easter storms began to noticeably change the level of the beach reducing on beach parking capacity and increasing the number and frequency of closures for high tides in FY2010 and FY 2011. This condition still exists.
- Extensive closures for nesting shorebirds in FY 2012 which reduced capacity for day-use visitation.
- Extensive erosion to shoreline and entrance road in FY 2012

### Kathryn Abbey Hanna Park Annual Visitation:

Fiscal Year	Annual Visitation
FY 12	380,382
FY 11	395,417
FY 10	403,248
FY 09	353,438
FY 08	372,443
FY 07	381,227
FY 06	400,593

- Approximately one-third of 100 camp sites were on rolling closures for installation of the new electrical hook-ups in FY 2012 which reduced services provided and subsequently reduced visitation.
