INDEPENDENT AUDITORS' REPORT

Board of Trustees Police and Fire Pension Fund Jacksonville, Florida

We have audited the accompanying financial statements of the Police and Fire Pension Fund (the "Fund") as of September 30, 2001 and for the year then ended, listed in the foregoing table of contents. These financial statements are the responsibility of the Fund's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the financial position of the Fund at September 30, 2001 and the changes in its financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of the Police and Fire Pension Fund taken as a whole. The accompanying required supplemental schedules on pages 10 through 12 are presented for the purpose of additional analysis and are not a required part of the basic financial statements. These schedules are the responsibility of the Fund's management. Such schedules have been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, are fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

In accordance with Government Auditing Standards, we have also issued a report dated January 18, 2002 on our consideration of the Fund's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, and contracts. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.
