

Council Auditor's Office

Independent Agency
Quarterly Summary for the Twelve Months Ended September 30, 2020

December 15, 2020

Report #837

Released on: December 15, 2020

OFFICE OF THE COUNCIL AUDITOR

Suite 200, St. James Building

December 15, 2020

Special Report #837

Honorable Members of the City Council City of Jacksonville

Pursuant to Chapter 106 of the Ordinance Code, attached are the required financial statements and narratives for the twelve months ended September 30, 2020 for the City's Independent Agencies. The various reporting entities prepared and submitted these unaudited reports to the Council Auditor's Office. These reports are not audited by the Council Auditor's Office, but rather are assessed for reasonableness. Thus, our report does not represent an audit or attestation conducted pursuant to Government Auditing Standards.

Municipal Code Sections 106.421 through 106.423 require this quarterly financial report. To meet the reporting dates specified by law, the Director of Finance and Administration of the City and the Chief Financial Officer of each of its Independent Agencies were to submit their reports to the Council Auditor on or before November 30, 2020 and we are to submit the consolidated financial report by December 15, 2020. The independent agencies, JEA, JAA, JPA and JTA, submitted their reports on time. The City and the Jacksonville Housing Finance Authority have not submitted a quarterly financial report due to delays related to reviewing and closing the final period of the first fiscal year in the City's new financial system. To meet our reporting deadline, we are issuing this report on the independent agencies. When we receive the City's report, we will review it, draft our comments, and issue a separate report.

The narrative reports from the reporting entities are generally sufficient for understanding the statements presented; however, we have commented to provide further clarification.

INDEPENDENT AGENCIES

<u>JEA</u>

Electric System

Fuel Related Revenues & Expenses

For the twelve months ending September 30, 2020, the Electric System schedule of fuel revenues and expenses is balanced. A total of \$26,195,649 in fuel revenue was transferred to the Fuel Rate Stabilization Fund to balance the account. This has resulted in an end of the year Fuel Rate Stabilization Fund balance of \$73,347,266.

Base Related Revenues & Expenses

For the twelve months ending September 30, 2020, Base Operating Income was \$8,759,143 lower than budgeted. This is due to an unfavorable budget variance of \$35,818,246 in Base Revenues offset by a favorable budget variance of \$27,059,103 in Base Expenses. The unfavorable variance for Base Revenues is due to actual revenues being lower than budgeted because of lower than budgeted kilowatt hour sales. The favorable variance in Base Expenses is mostly due to favorable variances in Operating and Maintenance charges of \$14,735,195, Non-Fuel Purchase Power of \$4,100,534 and a \$5,000,000 favorable variance in Emergency Contingency because the contingency was not needed.

Total Electric System revenues and expenditures were balanced. A net savings of \$41,686,742 in actual Base Related Expenses was transferred to Operating Capital Outlay and Operating Capital Outlay – Environmental during the year.

Water & Wastewater System

For the twelve months ending September 30, 2020, the Water & Wastewater System schedule of revenues and appropriations showed a surplus of \$9,394,531. Operating Revenues showed a favorable budget variance of \$5,439,611, due to actual sales being higher than budgeted. Operating expenses met the budgeted amount. Total Non-Operating Revenues indicated a positive budget variance of \$3,954,920 due to a positive budget variance of \$5,258,229 in Capacity/Extension Fees, which were partially offset by an unfavorable variance of \$1,433,309 in Investment Income.

District Energy System

For the twelve months ending September 30, 2020, the District Energy System schedule of revenues and appropriations was balanced. Operating Income incurred an unfavorable budget variance of \$72,466. This was due to an unfavorable budget variance of \$458,344 in actual operating revenue due to lower than budgeted sales, which was partially offset by a favorable budget variance of \$385,878 in operating expenses. The Operating Income shortfall was offset by a favorable variance in Investment Income of \$72,466.

Debt

For the three months ending September 30, 2020, JEA experienced upgrades to various bonds. See the Debt Ratings section of this report for more information.

Jacksonville Transportation Authority

The financial report of the Jacksonville Transportation Authority (JTA) for the twelve months ending September 30, 2020, indicates no overall budgetary stress for JTA as a whole. However, the Bus, Skyway, and General Fund/Engineering Divisions' expenditures exceeded the budgetary appropriation approved by City Council, primarily due to expenses incurred for the relocation to the Jacksonville Regional Transportation Center and because of the pandemic. In addition, we had recommended in the Quarterly Summary for the twelve months ended September 30, 2019, that JTA file legislation to amend their Fiscal Year 2018/19 budget for the CTC and Ferry Divisions because expenditures exceeded the budgetary appropriation. The JTA

Board approved the amendment to their Fiscal Year 2018/2019 budget, but legislation has never been filed. Therefore, we recommend that JTA file legislation to amend their Fiscal Year 2018/2019 and Fiscal Year 2019/2020 budgets as soon as possible.

Jacksonville Port Authority

The Jacksonville Port Authority's (JPA) financial report for the twelve months ending September 30, 2020, indicates no overall budgetary stress. However, it should be noted that JPA recorded an unfavorable variance in revenues of \$4,982,337 due to the economic impact of the pandemic. This was offset by a favorable variance in operating expenditures of \$5,532,263 due to cost control measures and a favorable variance in non-operating expenses of \$1,826,847 due to debt refunding. JPA recorded Net Income Before Transfers of \$11,194,449 with \$3,415,244 being transferred to Operating Capital Outlay and \$7,779,205 shown as Surplus.

Jacksonville Aviation Authority

Jacksonville Aviation Authority's (JAA) financial report for the twelve months ending September 30, 2020 indicates revenues and expenses were balanced. However, JAA experienced budgetary stress on the revenue side due to the continued impact of the pandemic, which it mitigated by cutting operating expenses. Overall, JAA reported Operating Income of \$29,462,616, which is under budget by 4.27%. Operating Revenues were under budget by \$24,065,012 or 24.22% and Operating Expenditures were under budget by \$22,750,380 or 33.16%. JAA reported year-end net income before transfers of \$32,281,705. From this net income, JAA transferred \$3,614,691 to Operating Capital Outlay, \$2,303,308 to Passenger Facility Charge Reserve, and \$26,363,706 to Retained Earnings.

DEBT RATINGS

In an effort to monitor any significant changes in debt ratings on outstanding debt issued by the Independent Agencies, we asked that the Independent Agencies who issue bonds to provide rating information on a quarterly basis. As mentioned above, Moody's upgraded JEA Water and Wastewater System senior and subordinated lien bonds to Aa3 from A2 and upgraded District Energy System bonds to A1 from A3.

Please refer to page 10 for a detailed list of individual bond ratings.

Kim Taylor, CPA Council Auditor

October 29, 2020

SUBJECT: QUARTERLY FINANCIAL SUMMARY – September 30, 2020

FROM: Brian Roche, Interim Chief Financial Officer JEA

TO: Ms. Kim Taylor, CPA Council Auditor City Hall

The attached financial summary for JEA has been prepared in accordance with the instructions provided by the Council Auditor's Office.

For the twelve months ended September 30, 2020, JEA contributed \$118.8 million to the City's General Fund. JEA also paid to the City \$90.8 million in Public Service Taxes and \$39.2 million in City of Jacksonville Franchise Fees for a total combined payment to the City of \$248.8 million. This represents an increase of \$0.5 million from prior year.

The Electric System experienced decreased unit sales primarily due to COVID-19 impacts. The Electric System produced a balanced budget for the year ended September 30, 2020.

The Water and Wastewater System produced a positive fund balance of \$9.4 million for the twelve months ended September 30, 2020. This represents 1.9% of the original annual operating budget. The Water and Wastewater System had a \$9.4 million surplus for the year ended September 30, 2020.

The District Energy System produced a balanced budget for the year ended September 30, 2020.

JEA experienced no budgetary stress during the twelve months ended September 30, 2020.

JEA is actively monitoring the credit markets in order to efficiently manage debt. A schedule of JEA's bond ratings as of September 30, 2020 is included with this report.

Brian Roche

Ms. Kim Taylor, CPA Council Auditor City Hall – Suite 200 117 West Duval Street Jacksonville, Florida 32202

Dear Ms. Taylor,

Enclosed are the quarterly reports for the Jacksonville Transportation Authority for the quarter ended September 30, 2020. A full-year variance narrative for each division is included.

The COVID-19 pandemic has had a significant negative impact on the JTA's FY20 financial results. Revenue deficits were offset through a combination of strategic cost containment initiatives and funds from the CARES Act. JTA is the recipient of CARES Act funding by virtue of being the designated recipient of formula funding from the Federal Transit Administration.

Bus Fund

The effects of COVID-19 on sales taxes, gas taxes and passenger fares has been considerable and without the infusion of \$22 million in CARES Act, the Jacksonville Transportation Authority would have unfavorable revenues of over \$11 million. The impact of the pandemic is expected to negatively affect revenues through FY21. Non-transportation revenue is slightly higher than budgeted resulting from income received from auctioned inventory parts and vehicles to the City of Jacksonville. Expenses are \$0.6 million over due to costs directly related to COVID-19, specifically cleaning services and materials.

CTC Fund (Connexion)

Connexion services expense was under budget by \$1.7 million resulting from a decrease in ridership caused by the pandemic. Most other costs were also lower than budget, requiring a smaller transfer from the Bus fund.

The majority of service provided by this fund is for riders covered under the federally mandated ADA program. The Connexion service requires a Bus fund transfer to support operations.

Skyway Fund

Skyway salaries and service expenses are over budget primarily resulting from activities related to cleaning due to the pandemic, additional maintenance costs for the system, and expenses related to the transition into the Jacksonville Regional Transportation Center (JRTC). The increased costs required a greater than budgeted transfer from Bus fund. The Skyway is a fare-free service and requires the transfer from the Bus fund to support operations.

Ferry Fund

The St. Johns River Ferry revenues were under budget due to a decrease in passenger fares as a result of Coronavirus impacts on ridership. Lower operating expenses more than offset the reduced revenues, requiring smaller transfer from the Bus fund.

General Fund

The General Fund revenues were higher than budget due to sale of surplus property, and interest earnings from the investment portfolio. Expenses were greater than expected primarily due to service expenses and salaries. The increased expenses were related to the transition into the JRTC and additional cleaning due to the pandemic. The net result is a surplus.

Please call me at 632-5520 if you have any questions about these quarterly reports.

Respectfully,

Kendra Burton

Ms. Kim Taylor Council Auditor City Hall at St. James, Suite 200 117 W. Duval St. Jacksonville, FL 32202

Re: Quarterly Report for period ending 9-30-20

Dear Ms. Taylor:

Enclosed is the Jacksonville Port Authority Unaudited Quarterly Report as of September 30, 2020.

Final results for FY2020 reflect operating revenues of \$65.1 million, a shortfall of 7%, in a year challenged by the impacts of COVID-19. Concurrent with the expected shortfall in revenues, expense controls measures were implemented mid-year which resulted in significant operational expense savings of over \$5 million. Other non-operating revenues and expenses also resulted in positive variances, partly attributable to a debt refunding opportunity in FY2020. In summary, JAXPORT experienced no budgetary stress in FY2020.

At Year Ending September 30, 2020 JAXPORT Bond Ratings (unchanged) are as follows: Fitch – A (Affirmed Rating – April 2020) Moody's – A2 (Affirmed Rating – September 2020).

If you have any questions or need additional information, please call me at 357-3004.

Sincerely,

Mike McClung

Director of Finance

Ms. Kim Taylor, CPA, MACC Council Auditor City Hall at St. James, Suite 200 117 W. Duval Street Jacksonville, FL 32202

RE: Quarterly Report

Dear Ms. Taylor:

The attached financial summary for the Jacksonville Aviation Authority has been prepared in accordance with the instructions provided by the Council Auditor's Office.

Enclosed is the Unaudited Quarterly Report of the Jacksonville Aviation Authority for the twelve months ended September 30, 2020

Operating Revenues were \$75.31 million which results in a negative variance of \$24.07 million at year end. Operating Expenditures were \$45.85 million which results in a positive variance of \$22.75 million at year end. The quarter closes with a negative Operating Income variance of \$1.31 million at year end. The Jacksonville Aviation Authority is operating in a challenging financial environment and is experiencing budgetary stress on the revenue side. Our plan is to conserve cash and cut expenses for the purposes of maintaining a stable financial position.

If you have any questions or need additional information, please call Carolyn Reed, 904-741-2351.

Sincerely,

Ross Jones

Chief Financial Officer
