Councilman Gaffney to Host Community Meeting

###

Jacksonville – Today Councilman Reggie Gaffney (District 7) announced a community meeting to hear from constituents on a range of issues impacting District 7, which includes Jacksonville’s north side and downtown areas.

The meeting will be attended by a variety of city departments to update the community on recently completed projects or those currently underway. Councilman Gaffney and city staff will field questions from constituents.

“Being in touch with the people in your community is critical to providing great constituent services. This meeting will give my constituents an opportunity to meet with the city, my staff and myself – and give us the chance to be available to address community concerns”, Gaffney said.

The event will be held on July 25th at 6:00 PM at Seaside Charter School, located at 2100 Dunn Avenue.

Those with any questions or concerns should reach out to Councilman Gaffney’s office at 904-255-5207 or send an e-mail to the Councilman at RGaffney@coj.net.
