The regular season is quickly approaching, and we look forward to welcoming you back to the US Assure Club for this highly anticipated season!

As a reminder, your tickets are completely mobile this year. Please make sure you access your tickets prior to arriving at TIAA Bank Field and save them to your device. Have your game ticket barcode ready as you approach the stadium gates on game day to expedite entry. For complete instructions, visit www.jaguars.com/mobiletickets.

To protect the integrity of the US Assure Clubs and Suites, we will be scanning tickets at all points of Club entry beginning with this Saturday's game against the Falcons. US Assure Club and Suite tickets will be scanned at the stadium gates per usual, then scanned again at any Club entry point. Club and Suite guests are able to move freely throughout the US Assure Clubs and should they leave to enter the general bowl, tickets will be scanned upon exit and reentry to confirm validity.

Please note we discourage screenshots and they should be avoided. Tickets should be saved to an Apple iPhone Wallet or Google Pay. Taking screenshots and sharing of your tickets through unapproved means may restrict your personal access to the US Assure Clubs and Suites.

We thank you for your support and Go Jags!
