Section 1. Article 13, of chapter 92-341, as amended, is hereby amended to read as follows

ARTICLE 13. DUVAL COUNTY SCHOOL BOARD

Section 13.01. - Duval County Board of Public Instruction continued and renamed.

The Duval County Board of Public Instruction is renamed the Duval County School Board, a body corporate, hereinafter called "school board." The school board shall consist of seven members elected in a nonpartisan district election appointed by the mayor and confirmed by the council. The school board shall be responsible for the public school system in Duval County, and all general and special laws applicable thereto shall continue in full force and effect, except as herein expressly provided to the contrary. Members shall be subject to removal by the mayor upon confirmation by the council.

Section 13.02. - School board districts.

Members of the school board shall be elected appointed from one of the seven school board districts hereby created and established. Each school board district shall be composed of two adjoining council districts as set forth in appendix 2 of this charter.
Sec. 13.03. - Redistricting of school board districts.

Within 8 months after publication of each official federal census of Duval County, the council shall redistrict the seven school board districts so that all districts are as nearly equal in population as practicable. In the event that the council shall be unable to complete the redistricting of the school board districts within 8 months after the publication of that census, the city's general counsel shall petition the circuit court for the judicial circuit having jurisdiction over Duval County to make such redistricting. Any redistricting of the school board districts made pursuant to this section shall not affect any term of office in existence at the date of such redistricting but shall be applicable only to the next succeeding school board election.

Section 13.04. - Qualifications of board members.

Members of the Duval County School Board shall be electors of and residents of the school board districts from which they are elected and each shall have resided in and been a qualified elector of the school board district from which he or she runs for office for at least 183 consecutive days immediately before the date on which he or she qualifies to run for the office as a member of the school board. Members shall not hold any other public office or public employment except
as notary public, member of the armed services, or federal office or employment.

Section 13.05. - Vacancies.

A school board member shall forfeit his office if at any time during his term of office he lacks any qualification for the office prescribed by this charter. In the event that a vacancy in the school board occurs, the vacancy shall be filled for the remainder of the unexpired term by election of a school board member at a special election to be called pursuant to resolution of the city council and held on a date no sooner than 1 month and no later than 6 months after the vacancy occurs. This special election shall, if possible, be held in conjunction with any other election scheduled to be held within the county. Any resignation by a school board member shall be submitted in writing to the supervisor of elections, with a copy to the secretary of the city council, shall specify the date on which it is effective, and shall be irrevocable. If any school board member submits a resignation which is effective at a date later than that on which it is submitted, the city council may, by resolution, call a special election for the election of a successor, this special election to be held on a date not less than 1 month after the date the resignation is submitted nor more than 6 months prior to the date the resignation
is effective; and such special election shall, if possible, be held in conjunction with any other election scheduled to be held within the county. In the event that this special election cannot be held within the 1 to 6 month period prior to the qualifying period for the next general statewide election at which such office would be filled for a full term, then no special election shall be held and the office shall remain vacant until filled at the next general statewide election for the full term. Should it be possible to hold the special election to fill a vacancy in the school board at the same time that another election is being held in the county, then this special election shall take place on the date of the first primary of the other election and if a runoff election is required, it shall be held on the date that the other election is held whether it be another special election, a general statewide election or a consolidated general government election. A vacancy in the school board shall not be temporarily filled in any manner and shall continue until filled in the manner provided in this section. The mayor may appoint, subject to confirmation by the council, a successor to take office the day after the effective date of the resignation.

The two-term limitation shall apply to any full term which began in 1992 or thereafter.

Section 2. The provisions of Section 1 shall take effect immediately, provided, however, that members serving at the time of the effective date of this law shall continue in office until such time as a successor is appointed and confirmed.

Section 3. This act shall take effect upon becoming a law.
