

Annual Notices About Your Health Coverage

Once a year, we send out information about your member rights and other required notices. Some of these are a little complicated, so read on for a breakdown of some of the topics.

Your Member Rights and More

Member Rights and More is a document with important information that can help you maximize your benefits and get personal support for your health. Read about:

- Your rights and responsibilities, including the grievance and appeal process and the right to an external review
- How to get language assistance
- Eligibility and referrals for managing an illness or disease and help coordinating your care
- Behavioral health information
- Financial incentives policy
- How to contact Utilization Management staff and/or use TDD/TTY services

The document is available at **floridablue.com** in the Member Tools section. Please refer to the **Frequently Asked Questions** under **Enrolling and Making Payments**. Want us to mail it instead? Simply call the customer service number on your member ID card.

Coverage for Breast Reconstruction

This notice is to let you know that your policy covers breast reconstruction surgery after a mastectomy at the same time as the mastectomy or later. You're covered for reconstruction of the breast on which the mastectomy is performed as well as the other breast to produce a symmetrical appearance.

In addition, your health plan covers prosthesis and treatment of physical complications at all stages of the mastectomy, including lymphedema. The type of procedure is determined by you and your doctor. Your coverage is subject to the terms of your policy, which can be found in your member account at **floridablue.com** or by calling the customer service number on your member ID card.
