### JSEB of the Month

#### Congratulations !!! Available Pest Control

Available Pest Control is a family-owned-and-operated business that was established by the Mills family. Available Pest Control, Inc. has over 22 years of experience in the Pest Control industry which includes a former company known as Mills Exterminating Services, Inc. from 1994 to 2003. They provide the type of service second to none, and their employees pride themselves on their impeccable job performance and customer care.

They are committed to providing professional Termite, Pest Control, Lawn Spraying and Maintenance to commercial, industrial and residential customers in the areas of Duval, Clay, Nassau & St. Johns counties. They are committed to promoting and maintaining an efficient operation in a safe, healthy and productive work environment for their employees and customers.

It is Available Pest Control's policy to keep their company up-to-date on advances in the industry and issues pertaining to our professional development and safety. Available Pest Control's Certified Operator in Charge, Leandrew Mills, Jr., is a member of the Certified Pest Control Operators of Florida, Inc. This allows us to provide our employees with: Training, Workshops & Symposiums.

Contact us to tell us about your termite and pest control needs today.
