VOLUME 3

November Events

Throughout the **Month of November** the JSEB Office participated in, and hosted, several small business workshops and events including our favorite...Small Business Saturday!

Some of the events included:

- * CareerSource Northeast Florida's Paychecks for Patriots hiring fair dedicated to local Veterans
- * Subcontractor Outreach and Networking Event with Balfour Beatty Construction to learn about bidding opportunities for JTA's upcoming (JRTC) Jacksonville Regional Transportation Projects.
- * Individual New JSEB Vendor Orientation Sessions (4)

JSEB of the Month

Congratulations!!!

Madera Electrical is a new vendor to the JSEB program, and has found success straight out of the gate. The owner of this company, Julio Madera, has many years' experience working on city funded projects as a former employee for many of our local contractors. Julio decided to spread his wings and open up his own electrical company, Madera Electric. Madera Electrical is a state licensed electrical company specializing in the installation of industrial lighting and structures. They have recently completed the lighting renovation at Sisters Creek Boat Ramp. If you are interested in any of their services, you can contact Madera Electric at 904-249-9900 or Maderaelectricco@gmail.com
