Monthly Highlights (Narrative):

November was Lutheran Services Florida’s Family Literacy month, and JPL was invited to speak at a number of monthly parent meetings. This has been an excellent way to get to know both parents and Family and Community Engagement (FACE) specialists and to begin monthly early literacy trainings (or Family Storytimes).

JPL continued to work with the National Society of Black offering Urban Core middle and high school students coding and STEM programs both in the library (Saturday mornings at Main) and at an outreach location (Haskell Company) in 32202.

Four Adult Literacy students passed one portion of the GED exam this month!
