<b>Program Strategy:</b> Focusing on Felon Re-Entry		
<p><b>Summary of Program:</b></p> <p>The Women Renewed Employment Reentry Program is designed to assist female ex-offenders transitioning back into the community from either prison or jail. Our objective is to provide 80 individual women with both hard and soft skills training/services including but not limited to: job readiness skills, adult basic education/GED, computer training, case management, mental health counseling, client assistance, and employment assistance. Of those 80 women receiving services, 10 women who are violent offenders will receive case management, 5 women will receive legal referrals, and 40 women will gain employment. Our goal is to provide stability and structure for each woman to become self-sufficient and a successful member of the community.</p> <p><b>Program Overall Status:</b></p> <p>A total of 5 clients gained employment in May. So far 15 clients have been submitted for billing. Our greatest success thus far is none of the 17 women who successfully completed and gained employment have been re-arrested. New classes begin each Monday. No significant challenges at this time.</p>
