Program Strategy: To offer extended Club hours for teens only with attractive and engaging program for teens only		
Summary of Program: Boys & Girls Clubs of Northeast Florida (BGCNF) is offering extended hours at two (2) Clubs in Jacksonville, Florida for teens to engage in engaging and life-changing programs at times when teens are most likely to engage in risky behaviors.		
Program Overall Status: BGCNF implemented its extended hours for teens beginning Tuesday, January 24 th at its NFL YET Boys & Girls Club and Woodland Acres Boys & Girls Club. These Clubs are now open, exclusively for teens, from 7 pm to 9 pm Monday through Thursday, from 7 pm to 11 pm on Friday and on Saturday from 12 noon to 4 pm. During this times teens have access to the entire Club and can play games in the games room, access the computers in the computer zone, have snacks in the cafeteria, create art in the art room and play basketball in the gym. While the extended hours have been well received by our teen population, we have experienced some issues with transportation. We recently implemented an incentive program for parents to encourage them to allow their teens to stay in the program during the later hours. Moving forward, we welcome the opportunity to strategize about opportunities to make adjustments in the outcomes and programs in order to ensure the optimal outcome for our community's most at-risk teens.
