<b>Program Strategy:</b> Focusing on Felon Re-Entry		
<p><b>Summary of Program:</b> Program delivers job placement assistance and state-licensed vocational training resulting in industry certifications to proxy-eligible former offenders. Additional supportive services delivered include individualized case management with linkage to mainstream benefits, mental health counseling, health &amp; vision screenings, soft skills employment training, life skills training, GED &amp; ABE classes and housing placement assistance.</p> <p><b>Program Overall Status:</b> Twenty-two ex-offenders were provided employment training, job placement, housing and/or supportive services by Clara White Mission in February; four of those served met Journey eligibility criteria. The Mission has previously received reimbursement for two of the four, a third became employed in February but has not yet provided verification, and the fourth is still participating in vocational training. no new eligible offenders enrolled during the month. The Clara White Mission served a total of 24 ex-offenders during January. 50% of eligible offenders were designated violent offenders as defined by Florida Statutes. <b>Challenges:</b> Restrictions on participant eligibility through the limitation of service to persons released from custody within the last 24 months and proxy scores that are not reflective of the client's total criminal history. Delays in notice of employment of program graduates and in receipt of documentation of employment is also an issue.</p>
