Program Strategy: Supervision for youth offenders to reduce the chances of recidivism.		
<p>Summary of Program: <i>The Evening Reporting Center is a community based alternative to incarceration for youth offenders providing academic and enrichment programming. We offer youth in journey zip codes anger management training, substance abuse training, life skills training, financial education, job readiness skills, community services, access to scholarships, case management services and recreation. The youth are picked up between the hours of 2:00 and 3:00 pm and are brought back home before 8:00pm. On Saturdays, the youth complete three hours of community service between the hours of 9:00 to 2:00pm. The youth that we serve are ages 13-18 and have scored high enough for detention but are not considered a threat to themselves or the community. The youth can stay for 21 days and could be longer or shorter based on the situation. The Staff consist of one project director, one program assistant, and one security/driver. Our goals are to stop recidivism, keep the youth in school, and exposed the youth to as many positive experiences in hopes of creating productive citizens.</i></p>		
<p>Program Overall Status: <i>The program has served a total of six youth in the month of May and has logged 63 hours of community service for the month of May. We have also forged new partnerships that will allow students to have access to scholarships. We had no violations in the month of May.</i></p>
