Program Strategy: Mentoring		
<p>Summary of Program: The Get REAL! Program connects at-risk girls with caring community members and partners who serve as mentors. The Get REAL! Program positively impacts the girls, schools and mentors as well as the community. The Get REAL! Program is a group mentoring program ideally using one mentor per 15 girls. Get REAL! has four basic components: reading skills, life skills, community care projects and enhancement programs. The curriculum also focuses on self-esteem, social development and interpersonal relationships, and is a structured support group using three, eight-week modules.</p> <p>Program Overall Status: We are currently serving girls at The Bridge of NE Florida, Robert E Lee High School, Matthew Gilbert Middle School, Jeff Davis Middle School, JEB Stuart Middle School, Stilwell Middle School and Eugene Butler Middle School.</p> <p><u>Successes:</u> November's meetings focused on what it means to give back. There was open dialogue and discussion among troops regarding different populations of people and what their needs are. An interesting revelation among the majority of the girls in troops was their determination that the elderly community was the most at-risk group. This presented an opportunity to discuss the Meals on Wheels program with the girls. All of the participants decorated Thanksgiving cards for the Meals on Wheels recipients. We partnered with Aging True and the cards were delivered on Thanksgiving Day with their meal.</p> <p><u>Challenges:</u> no challenges this reporting cycle.</p>
