Program Strategy: Mentoring		
<p>Summary of Program: The Get REAL! Program connects at-risk girls with caring community members and partners who serve as mentors. The Get REAL! Program positively impacts the girls, schools and mentors as well as the community. The Get REAL! Program is a group mentoring program ideally using one mentor per 15 girls. Get REAL! has four basic components: reading skills, life skills, community care projects and enhancement programs. The curriculum also focuses on self-esteem, social development and interpersonal relationships, and is a structured support group using three, eight-week modules.</p> <p>Program Overall Status: <u>We are currently serving girls at The Boys and Girls Club (The Bridge of NE Florida) JEB Stuart, Matthew Gilbert Middle School, Jeff Davis Middle School, Lakeshore Middle School, Lee High School, Stillwell Middle School and Eugene Butler Middle School</u></p> <p><u>Successes:</u> During the month of October, girls continued working on anti-bullying strategies and conflict resolution skills. Girls from Jeff Davis Middle and Lakeshore Middle made a trip to Sulzbacher Center to work with the community development troop at this location. While girls in the Get REAL! Program are mentored at their schools, they served as mentors to the girls at Sulzbacher. With assistance from parents for transportation, 10 of the 8th grade participants will continue to visit the shelter on a monthly basis to work with the troop.</p> <p><u>Challenges:</u> Other than back-end, UOS issues there were no programmatic issues at sites.</p>
