Subject: Façade Renovation Matching Grant Program

Dear Business or Property Owner:

Through its Public Investment Policy, the City of Jacksonville has identified certain areas in Jacksonville in which grant dollars have been approved to provide funding assistance for existing businesses. The City's Office of Economic Development works to promote the redevelopment of these areas, and advocates for businesses to expand in an effort to generate job opportunities for its citizens.

Based on property records, your business may be located in an "Economically Distressed Area" and may be eligible for the Façade Renovation Matching Grant Program.

Please review the enclosed brochure for information on the program and to determine what grant assistance may be provided for your project. More information, including the application, can be viewed and downloaded online at www.coj.net/facaderenovation.

If you have questions after reviewing the information, please contact Ms. Corey Craig at (904) 255-5445 or email facadegrant@coj.net, for assistance.

Sincerely,

Kirk Wendland
Executive Director
City of Jacksonville-Office of Economic Development
