IV. PLEASE PROVIDE A BRIEF DESCRIPTION OF THE STATUS OF THE PROJECT INCLUDING, WHERE APPLICABLE, AN OVERVIEW OF THE TYPE OF JOBS CREATED.

In February 2014 EDSI has started the final assembly program of Super Tucano's to support Light Aircraft Support Program of the United States. Since then we are running this facility and delivering aircrafts to the completion of the first Lot in June 2016. We have now completed the second lot and begun work on new projects.

As expected the volume of activity on the After-market has increased substantially with a bigger fleet in theatre and the plan is to continue to grow operations and deliveries of aircrafts as EDSI gets additional contracts from the US Government.

V. PLEASE PROVIDE INFORMATION REGARDING AND COMMUNITY SERVICE ACTIVITIES IN WHICH YOU OR YOUR EMPLOYEES HAVE PARTICIPATED THIS PAST YEAR.

As an active participant of the community, Embraer Defense and Security, Inc. continues to hire employees from the local workforce. Most of the employees originally hired when company started in 2013 remain working for EDSI. Embraer Defense and Security, Inc. has been awarded by the community as one of the most significant companies to operate in Jacksonville and we continue to give back to community all the support we have been receiving since we open the business in 2013.
