MEMORANDUM

BULLETIN G7-99

TO: All Permit Applicants

FROM: Thomas H. Goldsbury, P.E., Chief
Building Inspection Division

SUBJECT: U.S. Department of Housing and Urban Development Rule # 4910.1

The U.S. Department of Housing and Urban Development rule number 4910.1 states that a potable water well may not be within 25 feet of a chemically treated building foundation.

Therefore, effective May 1, 1999, any project submitted for permitting, which contains potable well supply, shall indicate its location on the submitted site plan.

The location shall be confirmed at the time of the foundation inspection.
