MEMORANDUM

June 28, 2004

BULLETIN G-19-04

TO: All Permit Applicants

FROM: Thomas H. Goldsbury, P.E., C.B.O.
Chief, Building Inspection Division

SUBJECT: **Posting of Certification of Compliance for Termite Protection for Commercial Projects**

The Florida Building Code requires posting of a permanent sign identifying the termite treatment provider and need for re-inspection and treatment contract renewal information. This was clarified previously in Bulletin G1-03, **Notice of Termite Treatment**. It has come to my attention that we may not have been requiring this information on commercial projects. This was our mistake.

Effective July 15, 2004, the Notice of Termite Treatment will be required for all projects.
