MEMORANDUM

**Bulletin G-24-03**

TO: Swimming Pool Contractors

FROM: Thomas H. Goldsbury, P.E., C.B.O.  
Chief, Building Inspection Division

SUBJECT: **Swimming Pool Alarms**  
**FBC Code Section 424.2.17.1.9**

There has been an informal interpretation that by choosing option number 2 of the above referenced code section, which requires that doors leading to the pool be equipped with self locking self latching devices, etc., **does not exempt the requirement for alarms on windows leading to the pool.**

Effective immediately, the City of Jacksonville Building Inspection Division will follow this informal interpretation.
