MEMORANDUM

BULLETIN P1-99

TO: All Licensed Plumbing Contractors

FROM: Thomas H. Goldsbury, P. E., Chief
 Building Inspection Division

SUBJECT: **Irrigation Contracting**

Please be advised that in order to perform irrigation installation in Duval County, you must be a licensed plumber or the qualifying agent for a licensed specialty irrigation contractor.

If you are using a vehicle, which displays the name of the company, it must also display your valid contractor license number.

You are also advised that a plumbing permit is required for irrigation installation, and that pulling a permit only to allow an unlicensed contractor to perform the work is a violation of local ordinance 342.111.
