

## **PFPF RECORDS RETENTION**

**APRIL 20, 2015**

I contacted Pam Colby, Sr. Project Manager with City of Jax. Enterprise Document Management, who is currently working with JSO and their new filing system.

We have a conference call scheduled for April 30<sup>th</sup> @ 3:30pm to discuss how they may be able to assist us based on our needs.

I am continuing to scan in important documents as they are reviewed and/or filed.
